

JUNE 2021

Hi Everyone,

I hope you are all keeping well and keeping safe in these still very, difficult times.

I am glad to say that we have settled into the Wisteria Hotel very nicely and it is great seeing our members interacting with each other. Some are just talking and catching up on what they have been doing while others are playing games. **But everyone is enjoying the food!**

We have had a few new members join us and they look like they are really enjoying themselves. It was so lovely to see our regular members going up to them to say hello and introducing themselves.

I would like to say a massive thank you to our Leaders and Jacqui, who do a fantastic job for us - helping at the Wisteria, doing lots of work behind the scenes, preparing for the Google Meet sessions and for when we go out.

As you all know Jacqui has been awarded the British Empire Medal, for which we all give Jacqui an absolutely massive congratulations. Jacqui should have been presented with her medal by now, but unfortunately due to covid rules, the ceremony got cancelled. I think you will all agree with me that Jacqui is a very specially person, especially to our group, even without the medal and hopefully we will have news soon as to when the ceremony will be.

Although covid rules are changing, hopefully for the better, we as a group have decided to take things slowly and are looking at activities that have the best covid rules in place. This is purely so we can try our best to keep every as safe as possible. Again, we will let you all know if anything changes.

Keep safe everyone and thank you for sticking with us in these trying times.
