

Act 2/Scene 1

EXT. - OUTSIDE DRIVEWAY - DAY (Claudia arrives at estranged family's house)

SAVANNA

She's here mom! Yes. Hold on. See? Say hey to my mom Claudia.

(Savanna put the phone to Claudia's face so her mom could see her)

CLAUDIA

Hey Aunt Pam.

(Claudia closes the trunk, already annoyed with Savanna. She heads towards the house)

SAVANNA

Ok Mom. I will. I won't. I did! Ugh. Yeah I'm gonna stay here with Claudia.

Ok. Love you too. Bye. (she hangs up the call) She's soooooo annoying.

CLAUDIA

I have no idea what I'm even doing here.

SAVANNA

I know. My mom said to tell you she'll be over tomorrow, or the next day and she's gonna help you with everything.

CLAUDIA

So you're the welcome committee?

SAVANNA

Something like that. I can't believe you're here! (hugging her)

CLAUDIA

Me either. (looking around with concern)

SAVANNA

I was like 12 when you left. I'm 18 now, so no more baby shit, I'm grown.

CLAUDIA

Girl, you grown until your mother gets here. I know Aunt Pam don't play that.

SAVANNA

She's never gonna see me as an adult, but that don't mean I'm not. (winks eye)

CLAUDIA

Get my bag.

SAVANNA

Get your bag?

CLAUDIA

How am I supposed to carry both of these up the stairs? You say you missed me, act like it.

SAVANNA

If you gon bully me like this, then I may have to find another favorite cousin.
