

Aunt Sherry's Doggie Daycare Pet Release Form

Your pet is important to us, and because we care about your pet's safety and well-being, we want to assure you that every effort will be made to make your pet's visit as pleasant as possible.

In order to protect your pet, and to protect others that are being cared for, we must see a copy of your pet's veterinary record stating all vaccinations (Rabies, DHLPP, Bordella) are up to date. We also strongly suggest flu shots. In the best interest of your pet, we also request your permission to obtain immediate veterinary treatment, at owner's expense, should it become necessary. Treatment will be pursued at the Meridian Vet Clinic in Greenwood, IN (648 Treybourne Drive).

If your pet is aggressive towards staff or other pets, you will be asked to pick up your pet immediately and to not return. Aunt Sherry's Doggie Daycare reserves the right to refuse service for aggressive pets.

Our goal is to make sure your pet is safe, healthy, and happy while in our care. Your pet will enjoy the comforts of home while at our facility and will be treated as if they are our own. By signing this Pet Release Form provided by Aunt Sherry's Doggie Daycare you agree, along with us, to abide by all requests on this form.

Sincerely,

Stan and Sherry Bunting
