### Other items

Lots of talk about penny wars and where to spend the funds this year. Ideas are all school field trip. Price per bus to Cameron WI is \$350 and we would need 3. Would cost \$550/bus to Como Zoo. Other options: Beaver Creek, Action City, Valley Fair, Kempers Woods, Living Waters Bible Camp. Going to figure out pricing before next meeting and see what would work.

Other discussion included potential to need to find a different location for Christmas Program as we are outgrowing our space. Going to see how Vets Program goes and then may look into other options.

We will hold a bake sale again this year during Christmas program. Kara will head up facilitating and sign up genius sent out for families to make items to drop off.
