

Please tell us a bit about yourself/family

- What city do you live in?
- Do you rent or own your home? If you rent, we need to see a copy of the lease agreement that states you are allowed to have pets.
- Any children in the home? What ages?
- What is your work schedule? Family schedule?
- How many hours per day would pet be left alone?
- Any other pets in the home? If so, what type?
- Provide detailed pictures or video of your fenced yard - entire perimeter including gates and the bottom of the fencing. Yard must be free of foxtails and fully secured.
- Home check may be performed.
- If a "meet & greet" is scheduled, all household members, dogs included, must be present.

Most of our available dogs can be seen at Pet Food Express in Antioch on Saturday's from 10-1pm

Our adoption fee is \$300 and covers the cost of having the dog fully vaccinated, spayed/neutered and microchipped.
