

THE CATALYST GROUP LIMITED

On the behalf of our client, Greenlight Energy, we seek a: **Solar Engineer**

With responsibility for all aspects of residential and commercial solar / photovoltaic installations, the Solar Engineer will design, project plan, procure materials and technically drive from beginning to end a given solar installation. This is fully a hands on position where the Engineer will have at least 8 years of relevant experience. Supported by relevant academic and industry credentials / certifications; the Engineer must be an exceptional communicator, comfortable with front end client delivery / reporting, able to work collaboratively within a diverse team. Must be comfortable with Microsoft Office, AutoCAD, and solar modeling tools and able to read and understand technical specifications and construction documents. The results driven SE will thrive within a fast paced entrepreneurial environment and remain committed to the ongoing training and development of talented Bermudians in this emerging industry.

On the behalf of our client, Kaissa Limited, we seek an: **EIFS Installer**

Holding 5+ years of progressive experience within a specialist plastering firm, the Installer will manage EIFS / Stucco installs for both residential and commercial projects, with responsibility for a 2-3 man crew. Applicants must be prepared to assume a senior role in the training and development across the team.

On the behalf of our clients, Barclay's Construction Limited • Kaissa Limited • Pacheco Construction Limited, we seek a: **Mason (s)**

Mason Applicants must be skilled at top grade and hold at least 5 + years of progressive experience as a Mason, able to work on his own initiative, lead a small team and read plans and blueprints. Both residential and commercial applications. Must be physically fit with own transportation; able to support the training of junior mechanics. Candidates holding some form of carpentry skill and a heavy truck license will be favorably considered.

On the behalf of our client, Barclay's Construction Limited, we seek a: **Landscape / Hardscape Maintenance Mechanic**

Applicants must hold formal horticultural / landscape qualifications and / or at least 6-7 years senior level experience as a full time landscaper / Gardener familiar with all aspects of soft and hard landscaping installs and maintenance programs. Preference will be given to candidates with general maintenance / property management experience holding specialist masonry skills. The hands on mechanic will be able to operate all landscaping and excavation machinery and able to conduct minor equipment repairs. Finally, he must have good client relationship skills with the ability to interface well with clients, architects, subs and vendors.

Experienced, physically fit applicants are invited to submit a resume, and 2 professional references, copy of passport, copies of all qualifications and certificates, to: resumes@catalyst.bm. Shortlisted candidates will be drug tested and police screened. **Closing date: May 27, 2022**
