

## Santa Claus

*The North Pole*

Dear Santa,

We are very grateful because you visit us every year! Some of us are here since first visit in 2012..

We are happy we will be able to see you again this year! We have no hope of a family.. There are thousands of nice puppies that people would consider rather than an old grey dog. They have no idea what gold heart we have and how much love is still left in our hearts.

Dear Santa, if you still have a little to spare, please consider bring us some ortophedic beds, our bones are in pain due to hard and cold concrete in shelter. Bring us some beds, Santa! And soft food, because our teeth have various problems. This is all we ask..

Thank you! Love,

Senior dogs from Sava's Safe Haven

because every dog deserves a chance!
