April 2022

Take the Blood Personal!

Praise the Lord, Brothers and Sisters!

We are approaching my favorite holiday! That's right! Resurrection Day! If you've been following the ministry or reading the Ministry Letters over time, you know where I'm going next:

Christ: The Anointed One and His Anointing

+

Mas: Celebration

Christmas = Celebration of the Anointed One and His Anointing

And where is Christ **now**?

Colossians 1:27 tells us where He is: ...*Christ in you, the hope of glory.*

So, as we celebrate this Resurrection Day, let us not only be mindful that Jesus lives, but also be mindful that if you have made Jesus your Lord, He lives **IN YOU!!!** (Hallelujah!!!)

Resurrection Day will soon have passed, but many of you know what I'm about to say. Say it with me:

KEEP THE CELEBRATION GOING!

Jesus' life in us is not something to be celebrated one day or one season out of the year. It is something to be lived out *everyday of the year*. How do we live it out? By letting Jesus be Who He is through us without restraint. How do we let Him be Who He is through us? By RECEIVING all He accomplished for us through His death, burial, and resurrection. Leave NOTHING on the table. Take it all!

We often read and hear about how:

Jesus has borne our griefs, and carried our sorrows (Is. 53:4); how He was wounded for our transgressions and bruised for our iniquities, how the chastisement of our peace was upon Him, and with His stripes we are healed (Is. 53:5).

We read and hear that for our sakes He became poor, that we through His poverty might be rich (II Cor. 8:9), and how Christ has redeemed us from the curse of the law, that the blessing of Abraham might come on us through Him (Gal. 3:13-14).

Hallelujah! But what does all of that mean? How does it translate to our lives today? What does it look like in the Christian life - especially when the world is as dark as it is today?

It's time for us to see some manifestation, Saints. It's time for us to see *perpetual* manifestation. If Jesus has borne our griefs and carried our sorrows, we should have a NO TOLERANCE policy for grief and sorrow in our lives. Jesus bore them so we wouldn't have to. If He was wounded for our transgressions and bruised for our iniquities, we should have a NO TOLERANCE policy for sin,

guilt, unforgiveness and condemnation in our lives. Jesus bore that guilt so we wouldn't have to! If the chastisement of our peace was upon Him, then we should have a NO TOLERANCE policy for feelings of rejection or separation from God in our lives. Jesus endured the rejection and separation so we wouldn't have to. If by His stripes we are healed, we should have a NO TOLERANCE policy for sickness in our body. Jesus bore every manner of sickness so we wouldn't have to!

Do you see where I am going with this?

If Jesus became poor that we might be rich, then we should have a NO TOLERANCE policy for poverty and lack in our lives. Jesus took on poverty so we wouldn't have to. If Jesus redeemed us from the curse of the law, we should have a NO TOLERANCE policy for any ounce of the curse (i.e., poverty, sickness, and death) to prevail in our lives. Jesus BECAME A CURSE FOR US so we wouldn't have to! He REDEEMED US from the curse of the law! Hallelujah!!!

If we are celebrating Resurrection Day – if we are celebrating the death, burial, and resurrection of Jesus – we ought to show some sign. While it is wonderful to set this time aside every year to focus on the awesome sacrifice that Jesus made for us and all He accomplished for us, our lives should BE the celebration each and every day. We should be living out the results of the sacrifice He made for us. We should be walking in divine health, divine provision, divine peace... everything that He died and rose again to give us.

So, once Resurrection Day passes, how can we remain mindful of the sacrifice Jesus made for us? How do we become the celebration of Jesus' resurrected life all year long? Here's what the Lord has been ministering to me and I want to share it with you:

1. TAKE THE BLOOD PERSONAL! Take Jesus' shed blood personal. Think about it as if you were the only person on earth and Jesus died just for you. Take it personal. Take ownership of Jesus' shed blood and allow the power of that blood to work on your behalf in every area of your life.

If you have made Jesus your Lord, you have a blood-bought right to all that God has for you. You have a covenant through the blood of Jesus that makes you a child of the Most High God. All of Heaven backs you because of Who your Father is. Don't take the blood for granted. Don't have all of this power and access at your disposal and set it on a shelf somewhere. Take the blood personal. Take it for the powerful weapon, cleanser, and connector, and protector that it is.

2. After you take the blood personal, APPROPRIATE IT. Put it to work! Apply the blood of Jesus to your family, home, job, ministry, soul, body, finances, relationships, possessions... Apply the blood to everything you have. How do you apply it? **With your words in and by faith:** *Satan, the blood of Jesus is against you! I plead the blood of Jesus. I apply the blood of Jesus to [this situation]...*

This only works when you have faith in the blood (i.e., what Jesus' blood accomplished for you). Don't play with it. Know the strength and power of the blood. Believe the strength and power of the blood. Invoke the strength and power of the blood (with your faith and with your words).

Before Jesus, the Children of Israel had to shed the blood of animals all the time as a sacrifice for their sins. When Jesus came – He was the perfect sacrificial Lamb. He shed His blood once for all – once for all people, once for all time (Heb. 10:11, 12, 14). His blood is stronger than that of any goat, lamb, ram, cow, or any other animal and He got the job done THE FIRST TIME. (So for those who are haunted by witchcraft and are scared of the spells of witches and warlocks and the oppression of demons – get acquainted with your Blood Covenant. **Know what Jesus' blood accomplished on your behalf. Put your faith in the blood. Stand in the power of the blood.** Know that greater is He that is IN YOU than he that is in the world! Let it become a reality to you. Take the blood personal! Then put it to work, in Jesus' Name!)

Let me share some song lyrics with you. These are songs that people in America often sing during Resurrection Season. We sing them so often at this time of year that sometimes we become numb to them, or, on the flip-side, we get caught up in the emotion of it all. Either way, it gets so that we sing the songs without thinking about the words. But join me in meditating the words of the following songs. In this first song, take the time to answer each of the questions:

Power in the Blood	
<p>Would you be free from the burden of sin? There's power in the blood, power in the blood; Would you o'er evil a victory win? There's wonderful power in the blood.</p> <p>Would you be free from your passion and pride? There's power in the blood, power in the blood; Come for a cleansing to Calvary's tide; There's wonderful power in the blood.</p> <p>Would you be whiter, much whiter than snow? There's power in the blood, power in the blood; Sin stains are lost in its life giving flow; There's wonderful power in the blood.</p> <p>Chorus: There is power, power, wonder-working power In the blood of the Lamb. There is power, power, wonder-working power In the precious blood of the Lamb.</p>	<p>The implication of these questions is, "DO YOU WANT TO BE...?"</p> <p>DO YOU WANT TO BE free from the burden of sin? If so, there's power in the blood. Appropriate it! Put it to work! It's YOUR responsibility!</p> <p>DO YOU WANT TO win victory over evil? If so, there's power in the blood. Appropriate it! It's YOUR responsibility!</p> <p>DO YOU WANT TO be free from your passion and pride? If so, there's power in the blood. Appropriate it! Put it to work! It's YOUR responsibility! COME for a cleansing to Calvary's tide. Nobody's going to make you. YOU must come by your own choice.</p> <p>DO YOU WANT TO BE whiter, much whiter than snow? If so, there's power in the blood. Sin stains are lost under this flow. RECEIVE IT! Nobody can believe it for you.</p> <p>You can only appropriate the blood when you take the blood personal...when you receive it for yourself.</p> <p>Take ownership of Jesus' shed blood, as if He did it JUST FOR YOU.</p>

Nothing But the Blood	
<p>What can wash away my sin? Nothing but the blood of Jesus; What can make me whole again? Nothing but the blood of Jesus.</p> <p>This is all my hope and peace, Nothing but the blood of Jesus; This is all my righteousness, Nothing but the blood of Jesus.</p> <p>Chorus: Oh! precious is the flow That makes me white as snow; No other fount I know, Nothing but the blood of Jesus.</p>	<p>HOW CONVINCED ARE YOU that Jesus' blood can wash away your sin? How convinced are you that Jesus' blood can make you whole again? How convinced are you that Jesus' blood is THE ONLY thing that can do it?</p> <p>IS Jesus' blood ALL your hope and peace? Or do you have confidence in something else besides? IS Jesus' blood ALL your righteousness? Or are you depending on something else for some of your righteousness?</p> <p>With all of the other founts out there – the government, your job, your ministry, people you depend on, etc. – is Jesus' blood THE ONLY FOUNT you choose to depend on for your righteousness?</p> <p><i>How committed are you to what Jesus (and Jesus alone) accomplished for you on the cross?</i></p>

I Know it was the Blood	
<p>I know it was the blood, I know it was the blood, I know it was the blood for me.</p> <p>I thank You for the blood, I thank You for the blood, I thank You for the blood for me.</p> <p>Chorus: One day when I was lost Jesus died upon the cross. I thank You for the blood for me.</p>	<p>Do you know that Jesus shed His blood FOR YOU?</p> <p>If you were the only person on earth, He would have done it just FOR YOU.</p> <p>If He knew out of all the people in the world, you were the only person who would say yes, He still would have done it just FOR YOU.</p>

I speak Light Be! to you: Jesus loves you! If you were the only person on earth, He would have died just FOR YOU. Take His blood personal. Take ownership of it and put it to work so you can live the results of what He died and rose again to give you. May you receive on the same level God desires to bless, in Jesus' Name.

If you receive this Word, I encourage you to sow a seed as **a faith expression that you believe you have received, and that you receive continued revelation and manifestation of what it is to take Jesus' blood personal.** Name your seed for the harvest you are expecting. I stand in agreement with you as you stand on the Word of God.
