We've Gone To The Dogs Daycare & Boarding Release Agreement

Your dog's attendance at daycare, sleepovers, training, or grooming at We've Gone To The Dogs is not without risk. We are an open play environment which means that the pups are loose in a large, supervised play yard. The dogs are grouped according to size and temperament and

must be evaluated before they can participate in daycare. Please note, dogs play rough, they pull on each other, roll each other, jump, nip, grab toys and yes sometimes we have disagreements usually minor but injuries can and do happen; for example scratches, lameness, puncture wounds, rashes, bee and insect bites. We have had guests rub the skin off their noses trying to bury toys or escape their crate. Every effort will be made by the staff to provide a safe environment for your dog.
