ChrisPage

- **Most** Christians believe that grace ends at the cross, and if we sin after becoming a Christ-follower, we travel backwards with God. This is \_\_\_\_\_. We feel it is fair to go backwards with God if we sin, but \_\_\_\_\_ ain't fair.
- **We** have been trained not to feel peace with our \_\_\_\_\_. My mistakes affect me, but they don't affect \_\_\_\_\_.
- **We** don't have to \_\_\_\_\_ to be accepted by God.
- **We** acknowledge God's grace, but we are still keeping \_\_\_\_\_.
- **Grace** is usually the first victim of \_\_\_\_\_ religion.
- **Christians** have come to believe if we do good, we gain \_\_\_\_\_, and if we do bad we lose \_\_\_\_\_ with God.
- **If** there is nothing \_\_\_\_\_ you can do to bring you into God's grace, there is nothing \_\_\_\_\_ you can do to take you out of it.

# Understanding Grace

- **In** the 1500s God raised up a German monk named \_\_\_\_\_  
to resurrect God's grace.
- **There** is nothing wrong with denominations, but there is with \_\_\_\_\_.
- **God** made a promise to Abraham. Abraham can't keep God's promise...only God can keep His promise. A righteous standing with God comes through \_\_\_\_\_  
in His \_\_\_\_\_.
