

OUR SHOWERING COLLECTION

Our shower solutions are made to suit all styles and budgets. There are overhead, handheld, exposed, and concealed showers, along with an array of combinations available, seamlessly blending traditional styling and contemporary design.

RIGID RISER SHOWERS

WRAS APPROVED PRODUCTS

Where this logo appears you can be assured products are WRAS approved. WRAS is the most recognised industry standard against waste, misuse, undue consumption or contamination. WRAS certification requires significant testing by independent labs and water suppliers making the product accepted by every UK water supplier.

ADJUSTABLE HEIGHT AFTER FITTING

All our Rigid Riser showers are adjustable after fitting, with the exception of the Traditional Shower. This feature allows you to adjust the fixed shower head up and down to suit different users, from children to adults.

HIGH QUALITY METAL SHOWER HEADS

Our showers all benefit from high quality metal fixed shower heads instead of a cheaper plastic alternative

QUALITY THERMOSTATIC COMPONENTS

All of our thermostatic showers are built with quality cartridges from trusted manufacturers using European technology.

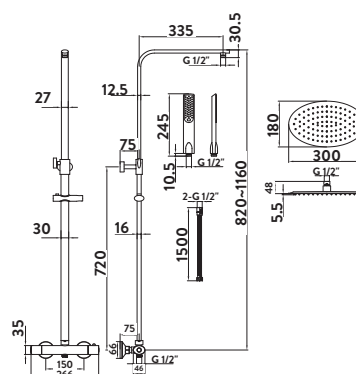

£374.00

Operating Pressure

0.5 Bar

- > 300mm x 180mm ultra thin solid metal fixed shower head
- > Easy clean rubber nozzles on main shower head and handset
- > Telescopic riser rail - **adjustable after installation**
- > Chrome plated brass body thermostatic shower valve
- > Adjustable handset holder

A modern, minimalist shower system is shown against a dark, textured wall. The system features a large, circular rain showerhead at the top, which is spraying water. Below it is a handheld showerhead with a flexible hose. The shower system is made of polished metal, likely chrome, and has a sleek, contemporary design. The water spray is visible, creating a sense of motion and freshness. The overall aesthetic is clean and modern, with a focus on functionality and style.
