April 2016

Notes from the Secretary /Festival Coordinator.

Hi everyone,

A massive thank you to Everyone who contributed to the success of our 32nd Annual Festival.

The timing was just right this year for a combination of the experience and knowledge of our Seniors, and the massive input by our younger members in Web site management, Computer skills and the management of modern, musical backing and chord charting and the massive improvement in staff and main catering areas. Another valuable asset was the very experienced adjudicators with their own multifunctional Computer System which freed up our Members to do their own specific jobs, before, during and after the Festival.

One of our Club goals is to encourage the new generation of Country Music Artists, and at the last minute we were able to confirm a KIX Country Sponsorship. This was in the form of Advertising and an Interview for the Winner of The Up and Coming Talent 15 to 25 year age group, covering 52 Stations Nationwide.

Congratulations to Matthew Munro – great Interview on the 29th March 2016.

Matthew was also the Winner of the Peoples' Choice Award.

We are committed to continuous improvement, so keep an eye out for future developments in Sponsorship and in areas being fine tuned. This years' FINANCIAL success and great TEAMWORK has lifted the question of viability we had a year or so ago. Many Thanks for your continued support, names are too numerous to mention.

A detailed Festival Coordinators' Report will be available at the next Annual General Meeting.

It was very encouraging to see a representation of the younger generation at our last Meeting and we greatly value their input to evolve with the times.

GROUP OUTING: The Club has a chance to support 2 Festival Sponsors, STEWART & SONS COACHES and COOL COUNTRY INC. by the way of a Fundraising offer to our Club from Jayson Russell. Please advise expressions of interest to fill a Bus for a day trip to Cool Country Play out, last Sunday of the Month. A date has yet to be decided depending on your preferences, please advise President /Secretary.

CENT SALE: Very successful Fundraiser. Many Thanks. Collecting a stock pile of prizes again for later in year.

Sandy Bryant.

THANKS!

Sharon Munro expresses her gratitude for the donations of food and assistance with catering at the 2016 Round Up!!

MARCH/APRIL 2016

It's been a great month for our club with good turnouts to the practice sessions and the great success of our 32nd Bundy Easter Roundup. It's great to be part of a group that can pull off an event like that and I wish to congratulate all the people who pulled their weight and made this festival an absolute success in every way.

Public feedback has been great and the Treasurer has a smile on her face as we made a good profit for once and It

PRESIDENT'S REPORT

shows that the online systems and face-book are the way to go for getting us out there.

Local knowledge about the Club is still poor and we have to fix this to get local bums on seats at our events. An example of this was our cent sale which didn't have a great number of people attending, though it did return a reasonable return, it would have been great with more people reached. The prizes and the running of the event were good. Well done team, we'll do it again.

What have we got coming up, well we

had some of our members heading to Allora this weekend and some of our club members will be singing at Ubobo and others camping out up there, so have a great time.

Until next time, keep it country

Cool Country is a non-profit organization whose main objective is to raise funds to contribute to local charities and organisations, through music. We rely on the support of the community and club members to continue this work, whilst providing an avenue for people with a love of music and singing that may otherwise not have an opportunity to sing and play. We are continually searching for new members to boost our ranks, contributing to the overall mutual enrichment for all associated with the club. *So... if you play an instrument or enjoy singing, come and join us.*
