## RELEASE OF LIABILITY & ASSUMPTION OF RISK AGREEMENT

Under Ohio law, an equine activity sponsor, equine activity participant, equine professional, veterinarian, farrier, or other person is not liable in damages in a tort or other civil action for harm that an equine activity participant allegedly sustains during an equine activity and that results from an inherent risk of an equine activity, pursuant to Ohio Revised Code Annotated §2305.321.

**READ CAREFULLY AS THIS AGREEMENT LIMITS YOUR LEGAL RIGHTS AND WARNS YOU OF THE MANY DANGERS WHILE RIDING/HANDLING HORSES.** In consideration of participation in a clinic, lessons, events and/or training conducted by Cory & Amanda Kindall and/or located at 9607 Chatham Road, Spencer, Ohio 44275 - Spencer Lake Farm (hereinafter “Host Equine Facility”) \_\_\_\_\_ the undersigned on behalf of him/herself, his/her representatives, assigns, executors, heirs and, if applicable, on behalf of his/her minor child/children collectively hereinafter “Participant”), hereby agrees as follows:

### **Release of Liability and Hold Harmless**

1. Participant hereby fully and forever releases, waives and discharges a) Cory & Amanda Kindall, AMS Equine Services Inc, Unbridled Solutions Inc, and her employees, instructors, agents, coordinators, representatives and assigns (collectively hereinafter “Kindall”) and b) Cory & Amanda Kindall, AMS Equine Services Inc, and Spencer Lake Farm LLC, the operators of the Host Equine Facility and its employees, managers, agents, representatives and assigns (collectively hereinafter “the Host”) singly and together (collectively hereinafter “Releasees”) from any and all claims, demands, actions, or causes of action of any kind, which Participant may or might have against Releasees or either of them, arising from or by reason of any and all known and unknown, foreseen or unforeseen bodily and personal injuries, damage to property, injury to horse and any consequences thereof, which Participant may sustain due to the ordinary negligence of the Releasees.
2. Participant further agrees that except for the gross negligence or willful misconduct of the Releasees, Participant shall not bring any claim, demand, legal action against and/or sue the Releasees for any economic and non-economic losses due to bodily injury, death, property damage and/or injury to any horses in relation to the Host Equine Facility and the operations and conduct of Releasees, which includes the operations, training and conduct of Kindall at any time whether on the Host Equine Facility or at any other facility, including any horse show competition.
3. Participant agrees and understands that the limitations of the liability of Releasees and the waiver of Participant’s rights to seek compensation from Releasees for injury or damages suffered by Participant in connection with equine activity conducted by Kindall at the Host Equine Facility provided for by this Release are in addition to and go beyond the limitations provided for by state law, but is also knowingly and voluntarily agreeing to further limitations on his or her rights to seek compensation for injury or other damages in connection with any clinic, lesson, event, or training conducted by Kindall at the Host Equine Facility.

### **Hold Harmless**

4. Participant hereby agrees to indemnify and hold harmless Releasees from and against any and all claims, liabilities, loss, damages, demands, actions, causes of action, including attorney’s fees, costs and expenses of any kind, which may be made against them. Or any of them, which arise out of the active or passive negligence of the Releasees while Participant is participating in a clinic, event, taking lessons, riding, training and/or boarding with Releasees, whether at the Host Equine Facility or at any other facility.

### **Assumption of Risk for Inherent Risks of Horses and Equine Activities**

5. **PARTICIPANT HEREBY ACKNOWLEDGES AND ASSUMES THE RISK THAT HORSE AND RIDING ARE VERY DANGEROUS AND INVOLVE THE RISK OF SERIOUS INJURY AND/OR DEATH AND/OR PROPERTY DAMAGE.** Participant also expressly acknowledges that injuries received may not be compounded or increased by negligent maintenance of the Host Equine Facility, negligent care of horses, faulty or improperly secured equipment, improper instruction and supervision, Acts of God, and negligent rescue operations or procedures of the Releasees, negligent handling of horses and independent operations by other participants in any clinic, event, lessons, or training, or by trainers, riders and/or boarders who use the Host Equine Facility or by others who are not affiliated with Releasees.

**Release of Liability & Assumption of Risk Agreement** I have read and understand the above statements and verify these statements by placing my initials here: \_\_\_\_\_

Spencer Lake Farm – 9607 Chatham Road, Spencer, Ohio 44275  
Amanda Kindall (440) 590-1112 Amanda@SpencerLakeFarm.com

**6. PARTICIPANT ALSO EXPRESSLY ACKNOWLEDGES THAT HORSEBACK RIDING IS A DANGEROUS ACTIVITY AND INVOLVES INHERENT RISKS THAT MAY CAUSE SERIOUS INJURY, AND IN SOME CASES DEATH, BECAUSE OF THE UNPREDICTABLE NATURE AND IRRATIONAL BEHAVIOR OF HORSES, (and their riders) REGARDLESS OF THEIR TRAINING AND PAST PERFORMANCE.**

Participant acknowledges that a horse or pony, without warning or any apparent cause, can buck, stumble, fall, rear, bite, kick, run, make unpredictable movements, spook, jump obstacles, step on a person's foot, or push a person, all of which may injure the Participant directly, or cause the rider or observer to fall or be jolted, resulting in serious injury or death.

7. Participant acknowledges that saddles, bridles, and other equine equipment may loosen or break. If the horse and/or equine equipment for the clinic, event, lesson, or training have been provided by Releasees, Participant further acknowledges that equine equipment may have hidden or latent defects, that excessive wear may not be readily detectable, that proper adjustment is often difficult to ascertain and that equipment which was initially properly adjusted may loosen or otherwise cease to be properly adjusted during the course of a clinic, event, lesson, or training; that the breakage or improper adjustment of equine equipment may cause Participant to fall or otherwise result in serious injury or death; that the risks arising from equine equipment and its adjustment are heightened for beginning riders for whom the proper use and adjustment of equine equipment is a principal part of the clinic, event, lesson, or training, and this release from liability and assumption of risk applies to risks, injury, and damages arising from equine equipment whether provided by Participant or Releasees, and from the handling, use, and adjustment of equine equipment whether by the Participant or Kindall.

8. Participant acknowledges that in some instances there may be the opportunity for participants in the clinic, event, lesson, and or training to engage in riding, including trail riding, outside of a training ring, (Extra-Ring Equine Activities) either during or after the conclusion of the session conducted by Kindall. Participant further acknowledges that in the event of Extra-Ring Equine Activities, 1) Kindall cannot monitor the conduct of the Participant, and/or other session participants as closely as she can during regular clinic, event, lesson, and/or training sessions in a training ring, and 2) horses are subject to additional and unpredictable stimuli outside the controlled environment of a training ring, such that the inherent risks of equine activities are significantly increased, and that by choosing to participate in Extra-Ring Equine Activities, the Participant accepts such increased risk.

9. Participant acknowledges that Kindall cannot guarantee that a horse selected for Participant will be suitable at ALL times as Participant acknowledges any horse no matter what age and no matter what training it has received can still be unpredictable and can cause injury. As Releasees have many clients, including many beginner riders, riders in the past may have fallen, been thrown, or injured by a horse now provided to Participant.

10. Participant acknowledges that Releasees have no ability to evaluate the temperament or fitness of any horse brought to the clinic, event, lesson, or training session by another session participant, and that Releasees ability to mitigate the inherent risks associated with horses and equine activities both for the rider of such horse and for other participants is reduced by the participation of horses unknown to Releasees prior to the session.

11. FOR SESSION INVOLVING BEGINNER RIDERS: Participant acknowledges, insofar as a principal goal of beginning sessions is to teach participants about safely handling horses and engaging in basic equine activities, and insofar as it is necessarily true that not all areas of equine safety can be taught first and that mastering many elements of equine safety involve a combination of both theoretical knowledge and practical application, that the inherent risks associated with horses and equine activities are increased during beginning sessions because the Participant and other participants will not yet have learned, mastered, or practiced all relevant areas of equine safety, and that by agreeing to participate in such sessions involving beginning riders, the Participant accepts such increased risk.

12. FOR SESSIONS INVOLVING EXPERIENCED RIDERS: Participant acknowledges that the goal of clinics, events, lessons, and training involving experienced riders is to develop advanced horsemanship skills, that even experienced riders may face increased dangers from the inherent risks of horses and equine activities when they and their fellow participants (who may be of significantly varying levels of competence) are engaged in new or unfamiliar equine activities, and that by agreeing to participate in such sessions involving advanced horsemanship skills, the Participant accepts such increased risk.

13. Participant acknowledges that other persons not directly engaged in the clinic, event, lesson or training may be at the Host Equine Facility. Neither Kindall nor the Host can control riders who use the Host Equine Facility or neighboring areas from making noises, or causing disturbances that may cause any horse, no matter how old and docile, to spook or react suddenly. The Host Equine Facility contains roads and driveways that are traversed by cars, tractors, trailers, and heavy equipment, which may or may not be driven by Releasees' personnel; these vehicles and equipment may spook a horse. Releasees cannot control or monitor the handling of horses by others who may be near or adjacent to Participant while riding and Participant assumes the risk of injury from actions by others as well.

**Release of Liability & Assumption of Risk Agreement**

I have read and understand the above statements and verify these statements by placing my initials here:

Spencer Lake Farm – 9607 Chatham Road, Spencer, Ohio 44275  
Amanda Kindall (440) 590-1112 Amanda@SpencerLakeFarm.com

**Suitability of Client for Equine Activity**

14. Participant hereby represents to Releasees that Participant has inquired into the equine activities associated with the clinic, event, lesson, or training offered, that Participant understands the nature of such activities and the physical capacities required for such activities, and that Participant has the ability to safely engage in such equine activities, and Participant further represents that Participant has no physical or mental limitation which would affect his/her ability to engage in equine activities, or which would affect Participant’s ability to understand and comply with instructions from Kindall except:

[Redacted]

Further, Participant acknowledges that Releasees will rely upon Participant’s representations above as to Participant’s ability and limitations in determining whether to admit Participant to the clinic, lesson, event, or training and that failure to identify relevant limitations will increase the danger to the Participant from the inherent risks of horses and equine activities and reduce or eliminate the ability of the Releasees to accommodate such limitations and relieve Releasees from liability arising from failure to accommodate such condition.

15. FOR PARTICIPANTS WHO HAVE IDENTIFIED LIMITING CONDITIONS: Participant acknowledges that the condition set forth above heightens the inherent risks associated with handling and riding horses, and understands that even though Releasees are aware of the condition and will exercise due care with regard to the safety of Participant in light of that condition, such awareness and due care cannot fully eliminate the increased risk of injury or death resulting from such condition. Participant further acknowledges and agrees that this release of liability extends and applies to any claims arising out of any ordinary negligence on the part of Releasees with regard to a) The Releasees’ accommodation of such condition and b) The Releasees’ reaction to any situation arising from said condition, in that the release of liability and assumption of risk apply to any situation in which the degree or nature of my injury may be increased or worsened by said condition.

**Riding Helmet and Apparel Warning**

16. Participant acknowledges that all horse handlers and riders should wear protective headgear which meets or exceeds the quality standards of the SEI certified ASTM standard while riding and being near horses and understands that the wearing of such helmet may reduce the severity of an injury incurred, and if Participant chooses not to wear such helmet, Participant assumes all of such risk of injury therefrom. Participant further agrees that all minors must wear protective headgear while riding.

17. Participant acknowledges that riding boots and protective clothing such as vests should be worn while riding, and Participant assumes the risk of injury if he/she chooses not to wear riding boots and/or protective clothing.

**Personal Property**

18. Participant acknowledges that while on the Host Equine Facility, direct loss or damage, theft, or injury to Participant’s horses, tack, or equipment is not covered by Releasees’ insurance. Releasee shall not be responsible for such loss, damaged, stolen, or injured property. Participant understands that he/she is responsible for carrying his/her own health insurance and personal property insurance.

**Governing Laws, Severability and Completeness**

19. This agreement shall be governed by the laws of this state of Ohio and will be enforced and interpreted pursuant to such laws, and Participant agrees that this Release of Liability and Assumption of Risk extends to all acts of ordinary negligence of Releasees and is intended to be as broad and inclusive as is permitted by the laws of this state. If any portion of this Agreement is held invalid, it is agreed that the balance shall continue in full legal force and effect. Participant agrees that this Release contains important warnings and Participant understands that no oral representations or statements made by Releasees will modify or invalidate any portion of this agreement and Participant does not rely on any oral representations or statements made by Releasees that may seem to be contrary to, limit, or modify the above warnings and waiver.

**PARTICIPANT HAS READ THIS AGREEMENT AND UNDERSTANDS THE WARNINGS, ASSUMPTION OF RISK AND RELEASE OF LIABILITY CONTAINED HEREIN AND AGREES TO THE SAME AS SET FORTH ABOVE ON BEHALF OF MYSELF, MY HEIRS, ASSIGNS, EXECUTORS, REPRESENTATIVES, AND WHERE APPLICABLE, MY MINOR CHILD/CHILDREN AND THEIR HEIRS, ASSIGNS, EXECUTORS, OR REPRESENTATIVES.**
