

President's Message

The seasons pass and the times they change. So much has happened in the last year, not only for our club but for its members. We've managed to get together numerous times despite barriers and obstacles. We've stayed positive, despite challenges for some of our people.

Resilient lot, we are!

Moving into fall and winter, we have plans for a number of events. We have a new venue at Rotary Killarney Lake Lodge, where we enjoyed the recent Lobster Evening. Nobody got hurt, the food was great and the lobsters impeccable. Incoming President, Clifford, grilled the steaks to perfection - well sorta.

Cheers!

Jim Quigley

Past Event in October

Lobster and Steak BBQ at Killarney Lodge.

It was appropriate, I guess, to have our first Lobster/Steak BBQ event, post COVID lockdown, at a whole new venue. 23 of us met for such a nice evening of food and chat at Killarney Lake Lodge. There is lots of room to spread out there, the ability to have some windows cracked and a nice log fire, made for a great evening. Please enjoy some of the photos from the night.

Message from the Club Manager

Happy November 1st everyone! We are almost in the Holiday Season once again. With that being said, I'm still looking for numbers for our Club's Christmas Party on December 19, (if we have the numbers). We have been in contact with The Palette, and they are willing to open on a Monday night (normally they are closed) to hold our party there, if we have enough interested. If you have not already done so, please let me know if you **can make it, or not**.

Peter and Lynne Fraser have offered to host our Beat the Blues event on December 29, so please book that in your calendar. More information on this later.

We are also looking for final numbers for our November 5, NB Military History Museum with Bob Dallison. Please send me a note if you can join us.

Another event in November, is the Rum Dinner and Whiskey Festival. If you would still like to go to the rum dinner, please contact me ASAP.

Lastly, I will be away and out of the country (Costa Rica) for a month starting on November 13. If you need anything from me regarding the Club, please let me know well before November 11th. I will be on vacation and will be only checking the Club's e-mails once in awhile and only dealing with urgent matters.

All the best for November.

Francis Perry
