Year End Testing, Grades 3–8 On-Site IOWA Assessment, Standardized Testing

Tapestry Academy is pleased to announce that we will be able to offer on-site the IOWA Assessment Form E, Standardized Testing through BJU Press. All test results showing progress for the school year will have their Home Education Evaluation Form signed by a Florida Certified Teacher. Results will be mailed to you for your own information for each student.

The completed Home Education Evaluation Form will be your responsibility to send to the Home Education Office. Those who do not show progress on the test will be able to do a portfolio review at an additional fee. Test scores will be sent away to be electronically scored and mailed to you 4 to 5 weeks after the test date.

As a test administrator for this assessment, we look forward to serving you and your family. We believe this is a low-stress way to receive insight into your home education program and also fulfill your annual evaluation compliance. TEST SCORES ARE NEVER SUBMITTED TO THE COUNTY. They are for your information and can help with future schooling opportunities.
