Florence First Baptist

First Baptist Church will be hosting a guest speaker from Chosen People Ministries. Stephen Arnold is a Messianic Jew who specializes in teaching about the Messiah in the Passover.

This is a great ministry and topic, especially for the Easter season. Everyone is invited and we will receive a love offering for the Chosen People Ministry.

There will also be books available for purchase and literature about the ministry. I am including a graphic should anyone be interested, thank you for getting the word out.
