Letter to the Editor April 25th 2021

I was not born in the town and in reality am "fresh blood" or "a new face" to the town.

I have owned my place in Brinkworth now for eight years and for most of that have always rented it out or worked away. This last year I have moved in to the house I fell in love with years ago. In the last year I have experienced what this small town of ours has to offer. No we don't have our shop or service station any more BUT WE DO HAVE a COMMUNITY. This last two weekends our little town has come TOGETHER and come alive to have three successful events that were run in a fantastic way, starting with the Lawn mower races and the team spending hours laying out hundreds of bales of hay with close to 300 spectators from all over SA coming to our little town.

Lawnmower action

Young and old having a magic time

Yesterday we came out again in numbers for the community Country Fair with over 20 stalls, a good band and fantastic atmosphere and entertainment with magic for the kids and adults alike. It was again a fantastic day for the community to bring us together as a town, for all our kids to mix, run and play in a safe environment knowing that the community will help keep an eye on them all. Yesterday was a day for the community with all the town being able to do something, from the CWA with their amazing scones to the School with plants and RSL with a BBQ, and pies and other baked goods available as well. For me I brought my Ute for the muster and car displays that were made more special with CABLE and PADAC both coming over from Port Pirie for the day with about 25 cars for displays.

Classic cars "open for inspection"

After such a long day on Saturday the crew from the RSL did it again on Sunday with a sombre and respectful Dawn Service, (even if we did get told to sing louder ☺). But for me again, it was brilliant to see over 40-50 people coming out in the bitter cold to firstly remember our fallen but to do it as a town and community with many new faces, lots I have never seen before. It is these new faces that will keep our town alive with

From the Editor:

G'day all.

Have you caught your breath yet after the last three weekends? I think I have—just.

What a wonderful time we've had and been so lucky with the weather. It can rain now! Send 'er down, Hughie!

I took the unusual step of putting Aiden's letter on the front page because it sums up so well what Brinkworth is about. I hope you agree and will be inspired by it. We've been told before that as a community we punch above our weight and I believe that's true. Well done everyone.

Below is a new advertiser. Phil is from Yacka and has been coming to Brinky for some time. Thank you Phil, for supporting the Rag with your ad. Thanks also to the BSR Tigers for allowing me to use photos from their Facebook page to add some extra sports news to the Rag.

Cheers, Anne.

Well, that is another Country Fair over and what a great day it was, feedback through the day was very positive and encouraging. The atmosphere was very relaxing - a happy family day, a good lot of stalls to choose from. Some of our local groups replenished their funds with stalls. They were kept very busy.

Band, Magician, Town Crier and Stationery Engines were enjoyed by many. Our playground added to the day as parents could have a much-earned break for a while.

Many thanks to Stall holders who make the day. **Helpers** Heath Polyak, LeeAnne Whitehead, Aiden Sczesny, Nick Hart and Progress members. Many hands make light work

Special thanks to David Willsher for judging cars and utes. He turns up every year and gives a hand.

Winners: **Best Ute** 1st. Peter Crossman 2nd. Aiden Sczesny
Best Chicks Ute: 1st. Jaymi Milic. 2nd. Aimee Simmons.
Best B&S Ute: 1st. Aimee Simmonds. 2nd Binxy. **Best Feral Ute:** 1st. Ben Plugg. 2nd. Greg. **Best Classic:** 1st. Craig 2nd John Yates. **People's Choice:** CABLE car club Orange Capri (unknown)

(Changed since previous notice)

NEXT MONTH'S MEETING: 7th June 7pm at RSL rooms.

RSL

President Nick Hart,
Vice President Terry Rolfe
Secretary: Gail Harris

LEST WE

Message from the President

The RSL held a Sausage Sizzle at the Country Fair this year and it was a great success. By 11.30 we were running out of all food so we had to send one of our members into Clare to get more

supplies. She arrived back at 12.30 and then we were into cooking again. It was a great day for the club. Our thanks to Allan Elliss who elected to be the cook for the day and without him we would have been in a lot of trouble. Thank You Allan.

We backed up at 3am again the next morning for the Dawn Service as it was ANZAC DAY. The club was all ready for the people who started to arrive at 6.15am for the service at 6.30 am. Once the service was over everyone made their way into the club for breakfast followed by the drawing of the raffle. Approx 100 people attended the service this year.

As we have sold our house I will be resigning as President at the May meeting as we will be moving to

many new families moving in to the town with many houses being sold lately and I believe that it is and will be our fantastic town and community spirit that will want to keep them here.

So where am I going with this? Well nowhere really but just to thank everyone for welcoming me and my boys in to the town and to remind everyone that we have something very special in Brinkworth and that is it COMMUNITY.

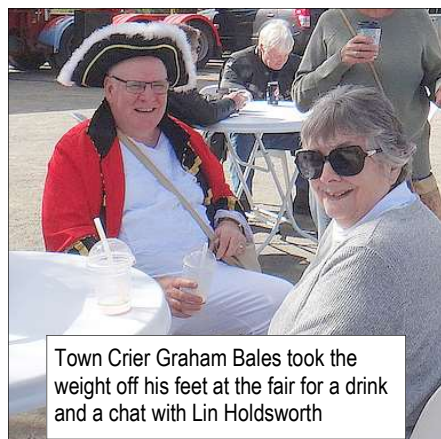

Aiden Sczesny

Jaymi Milic won Best Chick Ute

Lachlan Sczesny was one of dozens of kids to get face painted at the fair.

Town Crier Graham Bales took the weight off his feet at the fair for a drink and a chat with Lin Holdsworth

Rep and Tanya Verran were among those who patronised Paulie Calaby's school plant stall.

Fun at the Fair

The Battle at Brinkworth

On Saturday, April 17, the Brinkworth Special Projects Group hosted the S.A. Lawn Mower Racing Association for the first 'Battle at Brinkworth'. The event was held on the back oval at the Primary School and attended by around 500 people across the day. A vibrant BBQ tent, cool and hot drinks and a licensed area, all staffed by volunteers, provided catering. There was also a small but significant Boot Sale near the entry gate. Despite a few teething problems it was by all accounts, "a cracker of a day!"

The racing consisted of thirty mowers spread across four categories, each racing a number of heats in a rolling program that went late into the afternoon. The Modified A category, with engines up to 450cc, was the largest drawcard with thrills, spills, noise and speed sufficient to satisfy the discerning revheads amongst us. Once the dust settled down and drivers became familiar with the track, there were up to three changes of lead per lap. It doesn't get much better than that in motor sport.

A large number of local and regional sponsors supported the event in a multitude of ways and to them we are exceedingly grateful. Without doubt, however, the greatest highlight of the day were the individuals who turned up, offered to help, rolled up their sleeves and got to it. We cannot single out people (not the Brinkworth way), but just offer gratitude to those who turned up early and helped on the gate, the crew in the BBQ tent, the flag marshals, and the pick up and pack down crews. This is community spirit, and this allows events like this to be a success.

Over \$3000 was raised on the day. These funds will go towards events and projects in and around our town. We hope to iron out the inevitable glitches that did occur and be back for a second Battle at Brinkworth next year. We hope to see you there!

Flanked by guest speaker Jack Mills and Branch Secretary Gail Harris, Nick Hart opens proceedings at the ANZAC Day Dawn Service

Qld. I would like to thank everyone who has supported the RSL for the past 14 years I have been President. Di and Myself are going to miss everyone who we have got to know over these years

Thank You
Nick Hart (President)

ANZAC Day at Brinkworth held extra significance this year.

This was the last ANZAC Day for President Nick Hart (who has been President for 14 years) and his partner Dianne as organisers, not only of the Dawn Service but the Monster Raffle which has been a feature for many years, raising thousands of dollars for the club.

In addition, Nick obtained special permission to fly the White Ensign, which is "protected" by the Australian Navy. He did this to honour Murray Burnley who

A small part of the sombre and respectful Brinkworth crowd

passed away in 2020. Murray was a Life Member, held the Meritorious Service Medal (given for 30 years continuous service to the RSL) and was also a member of the RSL for 74 years. The ensign can now be flown at all future Dawn Services at Brinkworth.

Nick and Di will be sorely missed by the club and many others in Brinkworth and we wish them well for the future.- Anne Green, Editor

Brinkworth CWA

What a day at the Fair. CWA had a much appetising stall with cakes and savouries plus this fair day these girls do a fantastic job in raising funds for CWA. Also, a good turnout for **Julie Meyers 70th** birthday held at Just Julies Café in Clare.

Things just keep happening in Brinkworth.

Comments from Dave Willsher (PADARC) who judged the ute muster

There's something very special about our country shows. It's not only the atmosphere, it's often the feeling of welcome from the organisers, the volunteers, and the people that put these things together.

Brinkworth Country Fair is one such show that I enjoy immensely, mainly because they really make us feel part of the show, which we in fact are. This year was no exception. We had a great time, a little down on the number of cars and utes but a good display never the less.

We lined up in what seemed like a council depot at first but there was plenty of room. It's a pity but I think most people understood the oval just isn't available this time of year. Up front, Andrew Todd and Alan Jones had set up the engine display which was in full swing with several engines running pumping water. This, as always, was the most popular exhibit. Just farther ahead, all the stalls had all been sited so we could walk along one side and then the other.

There were probably about 30 stalls in all selling all sorts of things including plants, crafts and art, and my favourite, home made pies, pasties, and the best sausage rolls I've ever tasted. Then another lady with home made conserves. We ended up with enough apricot jam to see out the year.

Some exhibits were really interesting, like Gumby's Wildlife Sanctuary from Wandearah with baby kangaroos we were able to cuddle, and a young red kangaroo that was chewing on everything in sight.

There was plenty of food on sale, with a BBQ, tea and coffee, even ice cream and milk shakes.

The musical entertainment was provided by a pretty good band this year. At least they played some nice old fashioned tunes and very little of that bang bang rubbish. Chairs were laid out in front for people to sit on and the highlight was the travelling magician who entertained the kids, young and old, with a fine magic act covering some really good tricks. He was very funny and even explained the tricks to the children who then tried them and, of course, they didn't work. He had a set routine that went on for about 45 minutes for each session.

The important job for me as guest judge was to examine all the vehicles. I take this job very seriously and we have to get this right. The categories are quite clear and lots of thought goes into this. Our club did alright with Peter Crossman taking out best ute, and John Yates with the old Holden FJ, and Craig Johnston with the green and cream Holden FC took out best classic first and second prize. People's choice was a beautiful yellow Holden Torana. This had not been included in the competition as some people prefer not to enter. That was a shame because this car would have taken best in show but all vehicle's are included in the people's choice category and this year there were some 300 entries.

The prizes were all the same - very nice silver trophies for all winners. I thought that was quite clever. Congratulations to Norma Hardy - bet that was her idea.

Brinkworth Soldiers' Memorial Hall

Big news! The Hall has acquired eight round banquet tables and around a hundred upholstered chairs for use in functions. The purchase was funded with 'savings' made from solar panels installed in recent years. Combined with the improvements to the amenities block, this most recent acquisition helps make our hall an attractive venue for all manner of events. Many thanks to our 'auction squad' (Nancy, Amanda, Wayne, Michael and Stewie) for making this possible.

Our small **gym** continues to serve a small number of patrons. All basic equipment is available for use at a time to suit you. Membership rates are low, concession rates available.

Our **I.T. Hub** offers internet access, computers and quality printing at affordable rates.

The Hall committee wishes to thank all the groups and individuals who use the facilities at the Hall. We are **looking for more helpers** to be 'friends of the Hall' and get involved either as committee members or general volunteers. To get involved, hire the Hall or use the growing number of available facilities, please contact Mark or Nancy on 8846 2243.

Brinkworth Management Committee

The Brinkworth Management Committee ('BMC') has continued to serve as the umbrella administrative body and information exchange for a number of sporting and cultural groups of our town. It meets bi-monthly. At its most recent meeting the Wakefield Council used the opportunity to present its evolving strategic plan for the area to member groups who provided commentary and feedback for Council's consideration. This was the next stage of the ongoing process which began with the public meeting at the Hall in late 2019 (remember the butcher's paper?). We look forward to the next stage of this consultative process.

With some regret the BMC wishes to announce that our current treasurer, Amanda Spencer, intends to step back from her role at our AGM in August. The BMC thanks Amanda for her tireless ongoing work over the years. Her dedication to the cause of Brinkworth can never be in doubt! As a consequence, **we are now looking for a volunteer to serve as treasurer**, commencing August 2021. Training and support (including I.T. support) will be provided to the extent required. This is a good opportunity to be involved at the heart of community affairs by filling an important role.

Enquiries regarding the role of treasurer, or any other business of the BMC, should be directed in the first instance to the Secretary, Nancy White, 8846 2243.

Brinkworth Special Projects Group

The Special Projects Group meets at around 7:30pm on the third Wednesday of each month. Our most recent project was hosting the inaugural Battle at Brinkworth lawnmower race (see separate article). Our previous project was a Town and Country garden competition. We are in negotiations for our next project, which may particularly benefit the children of our school (hopefully, more to come on this soon).

We take this opportunity to announce that all proceeds from the Battle at Brinkworth raffle, generously sponsored by businesses from our region, are being donated to Holley Lavington and her family, after a suggestion was made by a member of our community. Although not now of Brinkworth, Holley's is a worthy cause. Details are available on the 'gofundme' page of Bettina Lavington and we urge all to consider making a small donation through that site.

Finally, we have a number of bollards and some bunting available for use by community groups. If you have queries about this, or wish to join us, please contact the Secretary, Mark, on 8846 2243.

All in all a very nice day for everyone. Then on the way home I came across four adult kangaroos just crossing the road in front of us.

They all stopped and looked back at the car as if to say 'Thank you'. That made my day.

Yacka Golf Club

The season opened with a fun filled afternoon , thanks to great weather and the course in great shape despite the dryness .

With two rounds completed, Meg Weckert is the in-form player and has won both rounds. Her handicap should soon start crumbling!

With five Saturdays in May there's a comp to suit everyone.....Saturday the first is a stableford, the 8th a par , 15th a stroke, 22nd match play cup qualifying, and another stableford on the 29th for first round of Captain's trophy.

Any one wanting to play Saturdays should be at the Yacka course by midday. Subs are very reasonable.

Thursday comp is struggling for numbers . It's open gender so all are welcome, hit off 10 am. Even if you can only play every now and then , it would be great to have some new faces out .

Following a lot of interest from juniors, there will be some sessions arranged so "Come and Try! "

The first is Sunday May 2nd at 9 amlearning golf as a "youngun " is ideal. To gain those skills and knowledge with little pain gives you a memory bank to withdraw from if golf becomes your sport later in life, even just for a hit with your mates.....bit like tennis where you can pick up a racquet and have a social game anywhere.

Go on , give it a go !

Trip to Gladstone RSL Garden

Members of the Australian Plant Society Brinkworth Group travelled to Gladstone on the Anzac Day holiday in perfect autumn weather to visit the RSL Garden. We were met by Mr Richard Stott of the Gladstone RSL and using the BBQ facilities close by, cooked and enjoyed our lunch.

Following this, we moved to the garden itself to take a close look at all the plants and the progress that had been made over the last few months. We were approached a few years ago to plan and plant up this area with Australian native plants for the Gladstone RSL and after much planning, soil preparation and deciding which plants would grow well in the area, the task of procuring the plants began. Many plants were grown by Ian Roberts, of Blyth and others purchased from other sources.

Planting days were held and then it was left to the Gladstone folk to water the plants, surface the paths, erect a stone wall at the back of the garden and pave the entrances making it suitable for wheelchair access. Screening was erected to cover the back of the adjacent toilets.

The garden has grown somewhat and is looking great. Eventually all plants will be named and it will be a great place to visit and enjoy. Thanks to everyone who helped plan and plant this truly amazing garden. Credit must be given also for the way it has been cared for over the past year.
