BELLS & WHISTLES to our successful Field Day and the weather cooperating.

THE BRIGHT SPOT: The journey is never ending.

STUDENT OF THE WEEK: NOAH ENGEMAN - Kindergarten

ONE THING I WANT TO IMPROVE ON THIS YEAR: my computer skills

WHAT IS YOUR DREAM JOB? a veterinarian

IF YOU COULD BUILD/DESIGN ANYTHING, WHAT WOULD IT BE? a zoo

I DO MY BEST WORK WHEN it is quiet.

As this year wraps up, I am happy to choose Noah Engeman as Student of the Week. Noah has grown a lot this year, and I am proud of him for making kind and respectful choices. Noah's love for learning and love for facts is contagious. Noah comes in eager to learn and loves to tell jokes to make the people around him laugh. Noah, I hope your quest for knowledge never ends. You are a good friend, classmate, and student. I am proud of you! - Mrs. Stewart

Preschool: I can't believe we have arrived at the last week of school! It has been a fun year of learning our letters and numbers! This week we will wrap up our Scholastic News learning about flowers. We plan to play outside with chalk and bubbles since the weather finally feels like spring! Thank you so much for sharing your child with me. I have really enjoyed them. Have a wonderful summer! - Miss Stacie

Kind: It's our last week and I cannot believe how fast the year has gone. We will have awards to wrap up the year on Friday at 9 am. Thank you guys for an incredible year with your awesome students! - Mrs. Stewart

1st/2nd: Our last week is here! We are wrapping up with some fun activities, starting with our field trip! Grades will be sent on Friday, our last day! Thank you for letting me teach your little ones. I have had a blast this year with all these students! Have a fantastic summer break! - Mrs. Thomas

3rd/4th: The last week of school is finally here. Our class will be doing several fun things this week. We had our field trip to the Springfield zoo yesterday. I hope everyone had fun and enjoyed it. On Friday, we have our award assembly and an early out. The end of a good school year is here. I hope everyone has a great summer and enjoys their break.

5th/6th: This week we will be doing some fun end of year activities. Congrats to my students that have been participating in "Screen Free Week"! I am proud of you for making it this far! The contest ends on Tuesday at midnight. Students will finish reading "The Indian in the Cupboard" and will complete their Studies Weekly for the year. We will also make writing notebooks, work with tangrams, play Brainquest lightning rounds and board games, and just enjoy our last school days with each other. I will also be sending home "Summer Reading Challenge" lists with students, so they have ideas for what to read over the summer. Parents: Thank you so much for sharing your kids with me this year! Have a wonderful summer! - Mrs. Foster

7th/8th: Well, looks like we finally made it to the last week of school. This will be a comparatively light work week in which we have our field trip and graduation. I would like to say that it's been a good year for me, and I enjoyed working with the students. I wish you all a terrific summer! To my eighth graders, good luck in your future endeavors.

Tests This Week: Just kidding! - Mr. Ewing

APRIL ACADEMIC STARS: Kindergarten – Addison Oexman, 2nd Grade – Macy Merryfield, 4th Grade – Suzanne Campbell, 5th Grade – Arianna Hilgenberg & 8th Grade – Collin Campbell

SUMMER SKILLS: Remember, you can reduce the summer learning “slide” by using your IXL subscription throughout the summer! Remember to read on a regular basis this summer!

REQUIRED IMMUNIZATIONS: If you have a student who will be entering the 8th grade, Missouri schools require a Tdap (tetanus) booster and Meningitis vaccine. Please make sure students have fulfilled this requirement before school begins in August. Thank you!

FOOD FAIR RECEIPTS: Please remember to turn in your Food Fair receipts by the end of the year! Thank you!

|---|--|
| <ul style="list-style-type: none"> <input type="radio"/> 1. Ask your child whether it would be more fun to travel in a car, a train or an airplane. Why? Where would your child go? <input type="radio"/> 2. Expect your child to pick up toys after play time. Turn on some clean-up time music! <input type="radio"/> 3. Give your child a hug and say “I love you.” <input type="radio"/> 4. Help your child pour uncooked rice or water from one container to another. <input type="radio"/> 5. In the grocery store, ask your child to look for foods that are purple. <input type="radio"/> 6. It's Physical Fitness and Sports Month. Look for a new physical activity you can enjoy together as a family. <input type="radio"/> 7. Set a goal for the day with your child. Make reaching it as fun as possible. <input type="radio"/> 8. Help your child name each of the five senses and what people use them for. <input type="radio"/> 9. Experiment with shadows. Where should you and your child stand in relation to the sun to see your shadows? <input type="radio"/> 10. Spray shaving cream on a plate and let your child draw in it. This gets fingers ready to write letters. <input type="radio"/> 11. Make a list with your child of five things to do during a rainstorm. <input type="radio"/> 12. Visit a playground where your child can run, jump and climb safely. These are important motor skills. <input type="radio"/> 13. Plan an evening walk with your child. Watch the sun set. <input type="radio"/> 14. Use a spoon as a ruler and see how many “spoons” tall your child is. <input type="radio"/> 15. Write a letter of the alphabet on a piece of paper. Ask your child to draw things that begin with that letter. <input type="radio"/> 16. Choose a book with lots of pictures. Have your child tell you the story based on the illustrations. | <ul style="list-style-type: none"> <input type="radio"/> 17. Promote family principles. Say things like “In our family we use kind words and we don't hit.” <input type="radio"/> 18. Call your local library (or check its website) and find out when the next children's event is. Mark it on the calendar and plan to attend. <input type="radio"/> 19. Help your child practice counting all through the house. How many doors are there? Windows? Chairs? <input type="radio"/> 20. Ask your child to problem-solve. “How can we get all these toys to fit in the basket?” <input type="radio"/> 21. Go daytime camping in your backyard. Drape a sheet over chairs for a tent. <input type="radio"/> 22. Together, look at your preschooler's reflection on the back of a spoon. How does it make your child appear? <input type="radio"/> 23. Draw several items on paper. Ask your child to count them. <input type="radio"/> 24. As you do errands, help your child talk with people you meet about the jobs they do. <input type="radio"/> 25. Together, learn something new about a person your child admires. <input type="radio"/> 26. Play catch with your child. <input type="radio"/> 27. Help your child create a mini “store” with clothes and play money. <input type="radio"/> 28. Go on a picnic with your child. After eating, stretch out on a blanket and read together. <input type="radio"/> 29. Offer encouragement after a setback. “You are growing and learning a lot and I think you'll be ready to try again soon!” <input type="radio"/> 30. Help your child practice cutting with safety scissors. Demonstrate how to cut in a straight line and then a curve. <input type="radio"/> 31. When talking about your child, avoid complaining if there is even a chance that your child could overhear. |
