Public Comment: Roger Knight asked if the Sherman Creek cleanout was actually maintenance, or is it an actual cleanout? Sonck replied that there hasn't been any communication from the Sanilac County Drain Commission as usual, but it looks like a total clean out to him. Mr. Knight also asked if you have to have a permit to tear down a building in the township and dig across a road? Of course the answer is yes to both of those answers, however some see fit to do as they please.

Lee Eggert was glad we are open and having a public meeting.

Communications Received: Innes had some calls having to do with taxes and was able to direct them to the correct individual to solve their problems.

Sonck received an email from the state letting us know that the tax assessment roll is being audited. The Assessor is gathering papers for the state.

Meetings Attended: Deputy Supervisor Mindy Sonck had a Cemetery Meeting online. She learned about social distancing and Covid-19.

Old Business: The Alexander Lapp property on Ruth Rd. has seen some clean up, however, there was also a fire call on the property that the township must now collect for. The sum of \$1,500 is due.

New Business: Motion by Innes to accept Resolution 5-2020 Special Election Stipend of \$500, supported by McCarty. Roll call vote: Innes yes, McCarty yes, Kelly yes, and Sonck yes. Motion passed with 4 yes votes. Hewitt was absent.

**Public Comment: Sonck made mention that with everything going on in Lansing with Covid-19, he fully expects our revenue sharing to have a \$15,000-\$30,000 shortfall for the year. That could very likely go on for the next couple years. Something we need to prepare for.**
