## THE PRICE FAMILY ... Ranching, Rodeo, Hi-Quality Cattle and Great Horses!

### WELCOME TO HARDING COUNTY!

We're proud to present an offering of horses that represents our breeding and training program to breed and develop outstanding ranch and arena competition horses. This is our family's 8th production sale and the first one held here at the ranch.

We're proud to host this event together with guest consignors Crago Ranches and Karrels Cattle Co. Like us, they are family ranch, cow outfits that take great pride in riding good horses. Cragos have brought significant recognition to South Dakota with their outstanding ranch and competition horses. Mike Karrel's stallion power features sons of the leading cowhorse sires in the business. These folks have reputations for good ranching, good stock and their integrity in business.

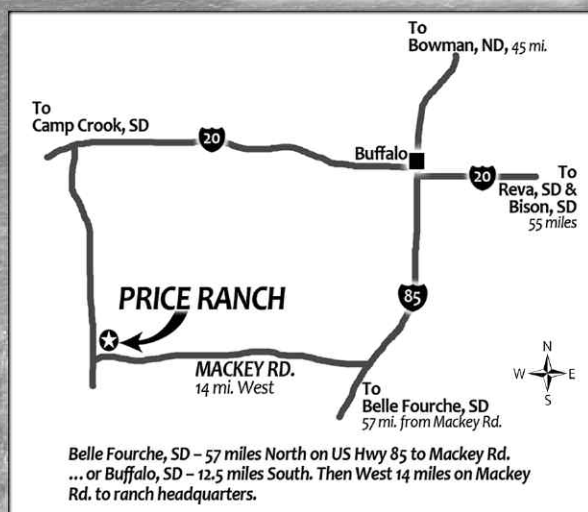

Our family is dedicated to breeding, developing and riding top ranch and arena horses. Our breeding program brings together the leading cowhorse and speed lines in the performance industry to produce an all-around horse that is trainable, sound and has the cowsense, athleticism and speed to excel on the ranch and win in rodeo events. Our prospects are started with a sound training foundation ... raised in a rugged environment and ridden on cattle over miles of big country. Our philosophy ... "Wet saddle blankets make great horses." It starts there!

Progeny of our stallion Have Some Cat, a son of #1 Cutting Sire High Brow Cat, are a sale feature. He is a great complement to our foundation speedhorse mares siring some of the most talented, impressive, young performance prospects we've produced. Their potential as top ranchers and money winning competitors is high!

In addition, we will present a top set of Karrels bred 2011 three year olds we purchased to develop for this sale. They are very talented, young cowhorses.

Our family is very passionate about ranching, rodeo, good cattle and great horses. We look forward to your trip to Harding County. Come to the Preview on Saturday and we'll look forward to seeing you sale day!

This colt is special and knows it ... he has that presence. When the mare band runs off, he looks over his shoulder and puts the hammer down ... loves to be the front runner and accelerates with ease. Powerfully performance bred, he's by proven barrel horse sire Nonstop Nitro and out of an own daughter of AQHA Working Cowhorse and Reining winner and CSF Ranch Horse Champion Butte County Playboy. This colt is destined to be a winner ... invest in him now and make him a Champion. Future Fortunes, Triple Crown 100, Brif, Pesi, 5-State, Hawki, Gridiron, Cornhusker and Colorado Classic futurity eligible. Owner: Bruce & Kim Crago.

# KARRELS CATTLE CO., LLC

A WORKING RANCH OUTFIT  
... Performance Quarter Horses  
& Commerical Angus Cows!

Mike & Lisa Karrels  
and Tee Ridley

Thank you to the Price Family Ranch for inviting us to be a guest consignar at your 2014 Production Sale. We are offering our 2012 colt crop.

We try to raise the kind of horses we like ... cow horses that are good looking, athletic and quick with good dispositions. We're not much on chasing after fads ... so we just try to raise horses that suit us.

Our stallions, Shiners Desperado, Hickorys Little Boon, Rooster Jr. and Dynamite Shyanne (now owned by Mike and Anita Heathershaw, SD) were bred and raised by Carol Rose, the John Scott S Ranch and Polo Ranch. Our broodmares are good looking, friendly mares with good bone structure and muscling. They have good heads, feet, legs and withers and they are big enough to stay sound. We believe their two year olds offered in this sale should be excellent performance horses, ranch horses and great breeding prospects. Quite a few of these two year olds are full brothers and sisters to horses being offered by the Price Ranch as three year olds in this sale.

Thank you Bismark Ranch, Neil and Whitney Wanless, for the use of their beautiful facilities to get these horses ready for the sale. Also, a GREAT BIG thank you to our son Tee Ridley, St. Onge, SD, Billy Chapa, TX, and Roy Cooper, NE for all your time and effort to get the horses ready. We could not have done it without you guys.

It is really important to us that each colt get matched up right with its new owner because each colt has its own personality. We hope you will ask one of us or Tee if you have questions about any of these two year olds.

Plan on seeing our prospects during sale horse previews Saturday afternoon and Sale day morning.

We appreciate the support of those who have purchased Karrels' horses in the past and hope to do business again. Thank you very much!

Sincerely, Mike & Lisa Karrels
