

SOMMELIER LOGISTICS

2022 Harvest Price List

- *A full truck by weight is 45,000 lbs.*
- *40 bins, stacked, is the maximum number of standard bins, when filled with grapes.*
- *Rates are based on one pickup location and one delivery location. Anything more incurs a \$50 fee per stop. The stop fee is added to the linehaul rate.*
- *Truckload pricing can be split between multiple customers, which are billed separately.*
- *These rates have been validated against current linehaul rates for fairness.*
