

The « Krack Devil », **that** people also call *the Evil Bambi*, is a terrifying deer-like monster, **which** only eats grass and flowers, but **whose** repulsive appearance gave him an infamous reputation: indeed, legend has it that, at night, the Krack Devil hunts human children **who** were naughty, and devours them under the moonlight. Nobody knows the reason **why** the Krack devil howls at the moon, with such spine-chilling screams.
