Introduction

What does it mean to evaluate? To evaluate means to assess, judge, gauge, rate, estimate, appraise. it is to form an opinion of, check something out, make up one's mind about, or size up.

Being evaluated is an action that every person experiences on their way to life on earth, During their life on earth and on their way from the earth. we are evaluated while we are in our mother’s womb, we are evaluated when we are born, we are evaluated when we go to the doctor, we are evaluated when we go to school, we are evaluated on the job and we are evaluated after we die and placed in a grave.

Throughout the generations God has conducted various forms of evaluations. The first form of evaluation God performs is an **“Informational Evaluation.”** The **“Informational Evaluation”** provides God with useful and usable facts. The second form of evaluation God performs is an **“Interventional Evaluation.”** The **“Interventional Evaluation”** enables God to decide when to intercede, step in, act as an intermediary or to act as a peacemaker. The third form of evaluation God performs is an **“Interpersonal Evaluation.”** The **“Interpersonal Evaluation”** provides facts regarding the relationship and communication between God and someone else.

There Are Three Categories Of Evaluations Under The Three Forms Of Evaluations

There are three categories of evaluations that come or fall under these three forms of evaluations: “Individual Evaluation”, “Institutional Evaluation” and “International Evaluation.”

- In the “Individual Evaluation”, God judges or assesses the person and renders a report. (Read Psalm 139 1-18)
- In the “Institutional Evaluation”, God judges or assesses a group, society or organization founded for a religious, educational, social, political or similar purpose and renders a report. (Read Matthew 23:1-36)
- In the “International Evaluation”, God judges or assesses the nations and renders a report. (Read Jeremiah 18:7-17)

•The Holy Scriptures Present A Record Of Specific Evaluations

- The “Garden Evaluation” determines who will give up blessed fellowship with the Lord God to get a bite of fruit which looks good. (Scriptural Reference Genesis 3, Adam & Eve).
- The “Wilderness Evaluation” determines who has a desire to be humble before God, a desire to have a heart for God and a desire to hear and heed God. (Scriptural References: Deuteronomy 8:2-6, Numbers 32:11-13)
- The “Faithful Servant Evaluation” determines who is serving and trusting God for who he is or for what he gives. (Scriptural Reference Job 2:3-7)

- The “Who Will You Follow Evaluation” determines who will follow God’s word and direction or follow the group’s way and desire. (Scriptural Reference: 1 Samuel 15:20-23)

- The “Church Performance Evaluation” determines whether the church has a love for Christ, is faithful to Christ, believes in Christ, follows Christ, has the Spirit of Christ, has patience to endure like Christ, and has a fire and is on fire for Christ. (Scriptural Reference: Revelation Chapters 2 & 3)

 2. Smyrna: The church that remains faithful amidst persecution
 3. Pergamum: The church that compromises its beliefs
 4. Thyatira: The church that follows false prophets
 5. Sardis: The church that is spiritually dead
 6. Philadelphia: The church that patiently endured despite weaknesses

COVID 19 May Be Viewed As A Fully Encompassing Evaluation Event

COVID is revealing who will listen to the voices that speak deliverance, life, obedience, truth and unity and who will listen to the voices that speak death, lies, opposition, trickery and upheaval.

For some, God’s Evaluation Report will say meets requirements/satisfactory/well done/grant merit compensation. For some, God’s Evaluation Report will say they need improvement/delay merit compensation. For some, God’s Evaluation Report will say failed to meet requirements/unsatisfactory/denied merit compensation/dismissed from employment/service.

Conclusion

We encourage every person, every group, every society, every nation to perform their own personal evaluation in the midst of this COVID 19 Evaluation Period. Determine whether you want, need, desire and will see God’s back turned toward you or whether you want, need, desire and will see God’s face smiling upon you.

Seeing God’s back turned toward you means being sentenced and burdened with his fierceness and wrath.

Seeing God’s face smiling upon you means being satisfied and blessed with his favor and wonderfulness.

CHOOSE AND STRIVE TO SEE GOD’S SMILING FACE NOT GOD’S TURNED BACK.
