

Israel HIKE June 6/7 – 12, 2024

The Israel HIKE tour is an amazing opportunity to explore areas of Israel that tourists rarely see...and we are very excited to finally offer this option! Join us as we walk through the natural wonders of Israel's national parks and landmarks + see the local culture. This is a great tour for travelers returning to Israel who want to see more of the beautiful country and for 1st timers who want to expand on our main Israel tour. Moderate walking is involved – up to 3 hours daily on trails– not too tough but worth the effort! Tour will flex as needed for group. Dates fall within Pentecost/Shavuot in Israel so it will be wonderful to experience this holiday there (but it's also a bit more expensive to do so then and to drive the full length of Israel in 5 days.)
