CASE NO. 21CV01005

**DEFENDANT PARADISE PARK MASONIC
CLUB, INC.'S ANSWER TO COMPLAINT**

Defendant THE PARADISE PARK MASONIC CLUB, erroneously sued as an
"Involuntary Plaintiff," hereby answers the Complaint of Plaintiffs William Pardue, et al.
("Plaintiffs") as follows:

1 1. Defendant Paradise Park admits to the truth of the following numbered
2 paragraphs contained in the instant Complaint: 1-3, 5, 9, 10, 12-16, 18-21, 23-25, 29,
3 and 34.

4 2. The following numbered paragraphs contained in the instant Complaint
5 are not factual allegations: 4, 6-8, 11, 17.

6 3. In answer to paragraph number 22, Defendant admits that, due to the
7 COVID pandemic, as set forth below, the board did not hold the normal March, 2020
8 board meeting, where Sam Cannon's self-nomination would have been acknowledged
9 and accepted by the nominating committee. Except as so admitted, denied.

10 4. In answer to paragraph number 26, Defendant denies that the "old board"
11 made the determination that the election was invalid. This was an action of the "new
12 board" which was seated in or around June, 2020 (Exhibit A – minutes from June, 2020
13 meeting showing welcome of new board members). The "new board" obtained legal
14 advice and determined that the election was invalid (Exhibit B – email exchange
15 between new board members re: this issue). All references in this paragraph to the "old
16 board" are inaccurate. Defendant denies the legal conclusion that the old board "knew
17 or should have known Sam Cannon had neither timely nor substantively met the
18 requirements to be 'self-nominated.'" The self-nomination of Sam Cannon took place
19 during the initial stages of the COVID-19 Pandemic emergency (March – April 2020). In
20 such circumstance, the board did not hold the normally scheduled March, 2020 board
21 meeting. The April, 2020 board meeting would have normally been the time where the
22 board would accept self-nominations for the election and make sure the other
23 requirements were met by the self-nominee.

24 5. In answer to paragraph 27, the information contained in this paragraph is
25 a legal / rhetorical argument, not a factual allegation. Defendant denies generally the
26 rhetorical bombast contained in this paragraph.

27 6. In answer to paragraph 28, Defendant denies that the "old board" refused
28 to step down at the end of the June 27, 2020 annual meeting. Defendant denies that

1 the “old board” continued to hold meetings, refused to allow the newly elected board
2 members to act, and failed and refused to recognize the authority of the newly elected
3 board members. Defendant denies that Sevilla Granger “was bullied, ignored, and
4 dismissed.”

5 7. In answer to paragraph 29, Defendant denies that the votes for the new
6 election were tallied on August 21, 2020. Defendant admits the results of this election.

7 8. In answer to paragraph 30, the information contained in this paragraph is
8 a legal / rhetorical argument, not factual allegation. Defendant denies generally the
9 rhetorical bombast contained in this paragraph and subsections.

10 a. This allegation is speculative and at odds with the actual
11 documents of record from the election.

12 b. This allegation is speculative and at odds with the actual
13 documents of record from the election.

14 c. This allegation is speculative and at odds with the actual
15 documents of record from the election.

16 d. Defendant denies that the CZU Lightning Complex Fires cut short
17 the period available to submit ballots by voting members.

18 e. Defendant denies that Plaintiffs challenged and / or requested an
19 audit of the ballots from the “new” election.

20 9. In answer to paragraph 31, the information contained in this paragraph is
21 a legal / rhetorical argument, not factual allegation. Defendant denies generally the
22 rhetorical bombast contained in this paragraph.

23 10. In answer to paragraph 32, Defendant denies these claims.

24 11. In answer to paragraph 33, Defendant denies that Kurt Likins refused to
25 give up his position to Sevilla Granger.

26 12. In answer to paragraph 35, Defendant admits that the two removal
27 petitions for Verdie Polizzi and Joe Mayo were processed. Defendant denies that the
28 results of the removal petitions are finalized as Joe Mayo is challenging some of the

1 signatures on his removal petition. There were not sufficient signatures to force the
2 removal of Verdie Polizzi. Further, the removal petitions were handled, not by the board
3 of directors, but by the elections committee, consisting of members Winston Chavoor
4 (committee chair), Carol Taylor, Alcinda Walters, and Denise Peterson. Neither Verdie
5 Polizzi nor Joe Mayo were part of the elections committee (Exhibit C – records of
6 election committee vetting recall signatures, per board policy).

7 13. In answer to paragraph 36, Defendant denies that Verdie Polizzi
8 unilaterally removed her name from the recall ballot. Further, the removal petitions
9 were handled, not by the board of directors, but by the elections committee, consisting
10 of members Winston Chavoor (committee chair), Carol Taylor, Alcinda Walters, and
11 Denise Peterson. Neither Verdie Polizzi nor Joe Mayo were part of the elections
12 committee. Neither Verdie Polizzi nor Joe Mayo were part of the elections committee.

13 14. In answer to paragraph 37, Defendant denies any wrongdoing in
14 connection with the processing of the removal petitions for either Verdie Polizzi or Joe
15 Mayo. There were not enough signatures to effect removal of Verdie Polizzi. Joe Mayo
16 is challenging some of the signatures on his removal petition and that process is
17 underway according to the corporation bylaws. All members have been informed of this
18 status of this situation. Further, the removal petitions were handled, not by the board of
19 directors, but by the elections committee, consisting of members Winston Chavoor
20 (committee chair), Carol Taylor, Alcinda Walters, and Denise Peterson. Neither Verdie
21 Polizzi nor Joe Mayo were part of the elections committee.

22 15. In addition, Defendant The Paradise Park Masonic Club hereby asserts
23 the following affirmative defenses:

24 **FIRST AFFIRMATIVE DEFENSE**
25 ***Failure to State a Cause of Action***
(As to each and every cause of action)

26 Answering Defendant is informed and believes that the Plaintiffs fail to state facts

Concerning the question of Sam Cannon self nominating, I thought that his email to the Board on March 20, 2020, one day prior to the date for the March Board Meeting when the nominating committee provided their nominations sufficed as a proper nomination.

However, upon a close examination of the Bylaws, Article VII Section 3. Procedure for Election of Director, I find no provision for self nomination except by application of a petition signed by at least 10 percent of the Members prior to the April Board Meeting.

Although Sharon Simas says her group will not call for invalidation of the election, it does appear that allowing Sam to self nominate in this manner may have actually been in error. We need to clarify the issue for future elections.

Good Evening All

If Sam's nomination was not proper, we have a very serious problem. Best case, we disclose to the membership, explain the potential consequences of what happened, and see what comes of it. Worst case, we invalidate the election and re-vote. I don't think doing nothing is an option (ethically or legally).

At an absolute minimum, I believe we have to disclose this to the other candidates and see what they think. If none of them care, we can disclose the issue and that fact to the membership and see what blow back comes from the membership. However, if any of those candidates do care, we will probably need to invalidate the election and re-vote.

It's a minor technicality. If he had gotten more votes, and if the election had been closer, you might have a point. But as his vote count was pretty decisive, I don't see it as a real issue. Of course, if someone really wanted to cause an unnecessary fuss, they could.

Think through the end game of re-running this election because of a minor technicality, for a candidate who didn't even get that many votes. Is it really worth disrupting our community for that?

With all due respect, if you want to bring up ethical questions, there are much more egregious matters at hand.

Just my thoughts.

Good Afternoon All:

I've asked several of my corporate, transactional, and litigation lawyer buddies to chew on this. Specifically I asked them to address 1) whether this could be considered a minor technicality; and 2) whether the vote count could reasonably be considered decisive (since 27 votes separated 1st from 4th). I also asked them to consider how they would advise a corporate board if the election is not valid.

Several of these guys are multi-jurisdictional licensees, including California. When I have a sense of their analysis and assessment of consequences I'll get a response back to you.

A couple of them are fly fishing in Montana, so it may be later in the week.

Forgot one thing. Last paragraph, starting with "with all due respect" - clearly the Board must address all unethical and illegal behavior. If any of that is going on, we as a Board, need to deal with it.

If the answer is no (stating they did not sign), line out the name and note with "stated did not sign", date and time of call to the **right of the signature line**.

Here is the procedure

If signer states they would like their name to be removed from the petition, ask the Member to email their request to Annie (annie@paradiseparkmasonicclub.org) by 10/24/2020 (deadline for Election Committee, 2 weeks from start date of calls) "so your name can be removed".

Final Count – Election Committee Chair & Office Secretary

Once the 2-week time has passed, the Election Committee Chair and Office Secretary will gather all copies of documentation to count verified, eligible signatures, then:

- Make 2 copies (1 for Chair, 1 for Secretary) of the scrubbed, called, verified petition. Staple petition at upper left corner, and write "**FINAL COUNT**" at the top of each page.
- Individually, Chair and Secretary will:
 - o Count the total number of signatures remaining on each page of the petition
 - o At the top right corner of each page, write the total number of eligible signatures on the page and initial
 - o Add the totals from each page and list the total at the bottom center of the final page of the stapled petition copy
 - o Confirm totals match

To the Secretary and Board of Directors:

Pursuant to Article VII, section 6 of the Bylaws of the Paradise Park Masonic Club, Inc., enclosed herein are petitions for the recall of directors Joe Mayo and Verdie Polizzi. We expect that the Board will uphold its duties to Paradise Park and its members and act in the utmost good faith to protect the integrity of this process, consistent with the Bylaws and the laws of the State of California.

In that regard, any involvement by Mr. Mayo and Mrs. Polizzi in the removal process constitutes a conflict of interest. Accordingly, there should be no question that Mr. Mayo and Mrs. Polizzi must recuse themselves and abstain from participating in any removal procedures. Neither Mr. Mayo nor Mrs. Polizzi should have any part in the preparation of the recall election ballots, the sending of the ballots, or counting of the ballots. Nor should Mr. Mayo or Mrs. Polizzi (or any member of the Board) contact any of the petitioners or the rest of the membership regarding the recall. Any attempt by any member of the Board to influence the petitioners or the membership by, for example, expressing opinions about the merits of the recall in any communications with members of Paradise Park (in emails, phone calls, the monthly bulletin, or otherwise), will compromise the integrity of the process and will subject the Board to legal action.

In sum, any participation by Mr. Mayo or Mrs. Polizzi in the recall procedures or any attempt by the Board to interfere with the recall process will be interpreted as breaches of the Board's legal duties to Paradise Park and its members. The petitioners reserve all rights and remedies under applicable law.
