

Caragua Baptist Seminary Donation Form

USA Form 

The Caragua Baptist Seminary needs your prayers and donations. All the donations go to Caragua Baptist Seminary Inc. and are used directly for the work of the Seminary. Donations help support:

- textbooks and training materials for the students in Brazil
- travel of the U.S. seminary instructors and staff
- communications with students, partners, and contributors using the internet and mailings

No contributions are used to pay seminary instructors or the administrators of the Seminary or Caragua Baptist Seminary Inc. All instructors and Caragua Baptist Seminary Inc. administrators and supporters volunteer their time.

We believe that the Seminary is an efficient means of using God's money. Contributions go directly to training and supporting home grown pastors in the Caraguatatuba region of Brazil. Focusing your donations towards the training of pastors means that you are supporting multiple churches, creating new church plants and efficiently reaching people with the Gospel of Jesus Christ. **If you have questions please see our website www.cbseminary.org or contact us at cbseminary@gmail.com.**
