general and local Ku Klux Klan leader—law enforcement officers attacked them with tear gas and clubs. The ensuing Montgomery bus boycott, in which black passengers refused to ride public transit until officials met their demands, led the Supreme Court to rule segregated buses unconstitutional. Do you think you would respond nonviolently? George Washington—revolutionary guerrilla fighter! Martin Luther King Jr. And what is it America has failed to hear?

In , labor union membership stood at To read more, see: How does the marginal tax rate system work? The decline in union membership and reduction of marginal tax rates roughly coincides with increases in income inequality which has come to called the Great Divergence. These numbers are eerily close to those reached in that lead to the crash that would usher in the Great Depression. Bentley escaped with his life, but 27 of the 29 African Americans who arrived on the scene to help him were summarily executed.

The history of protest and revolt in the United States is inextricably linked with the racial violence detailed above. Prior to the Civil War, enslaved individuals rarely revolted outright. Nat Turner, whose insurrection ended in his execution, was one of the rare exceptions. A fervent Christian, he drew inspiration from the Bible. Other enslaved African Americans practiced less risky forms of resistance, including working slowly, breaking tools and setting objects on fire. One of the few successful uprisings of the period was the Creole Rebellion. In the fall of, enslaved African Americans traveling aboard The Creole mutinied against its crew, forcing their former captors to sail the brig to the British West Indies, where slavery was abolished and they could gain immediate freedom. An April revolt found enslaved New Yorkers setting fire to the homes of black residents, beating those unable to flee and lynching at least two people. False accusations also sparked a July race riot in Washington, D. Over the course of two days in spring, the Tulsa Race Massacre claimed the lives of an estimated black Tulsans and displaced another 10, Mobs burned down at least 1, residences, churches, schools and businesses and destroyed almost 40 blocks of Greenwood. The second season of Sidedoor told the story of the Tulsa Race Massacre of Economic injustice also led to the East St. Louis Race War of Official counts place the death toll at 39 black and 9 white individuals, but locals argue that the real toll was closer to A watershed moment for the burgeoning civil rights movement was the murder of year-old Emmett Till.

Accused of whistling at a white woman while visiting family members in Mississippi, he was kidnapped, tortured and killed. Visuals, including photographs, movies, television clips and artwork, played a key role in advancing the movement. The form of anti-black violence with the most striking parallels to contemporary conversations is police brutality. Civil rights protests exacerbated tensions between African Americans and police, with events like the Orangeburg Massacre of, in which law enforcement officers shot and killed three student activists at South Carolina State College, and the Glenville shootout, which left three police officers, three black nationalists and one civilian dead, fostering mistrust between the two groups. Today, this legacy is exemplified by broken windows policing, a controversial approach that encourages racial profiling and targets African American and Latino communities.
