

Tiny motifs

www.roland-designs.com

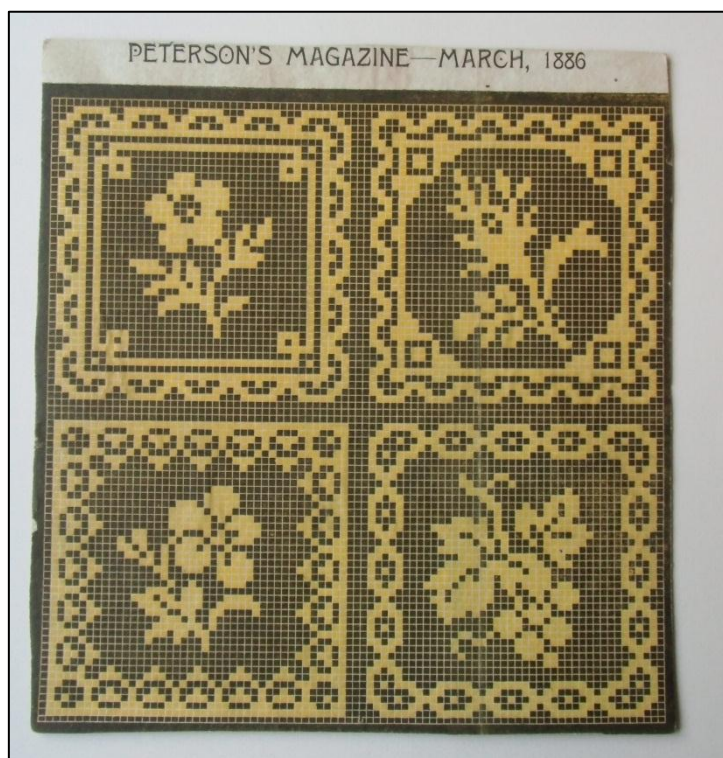

Four sweet little motifs taken from an old hook rug pattern from:

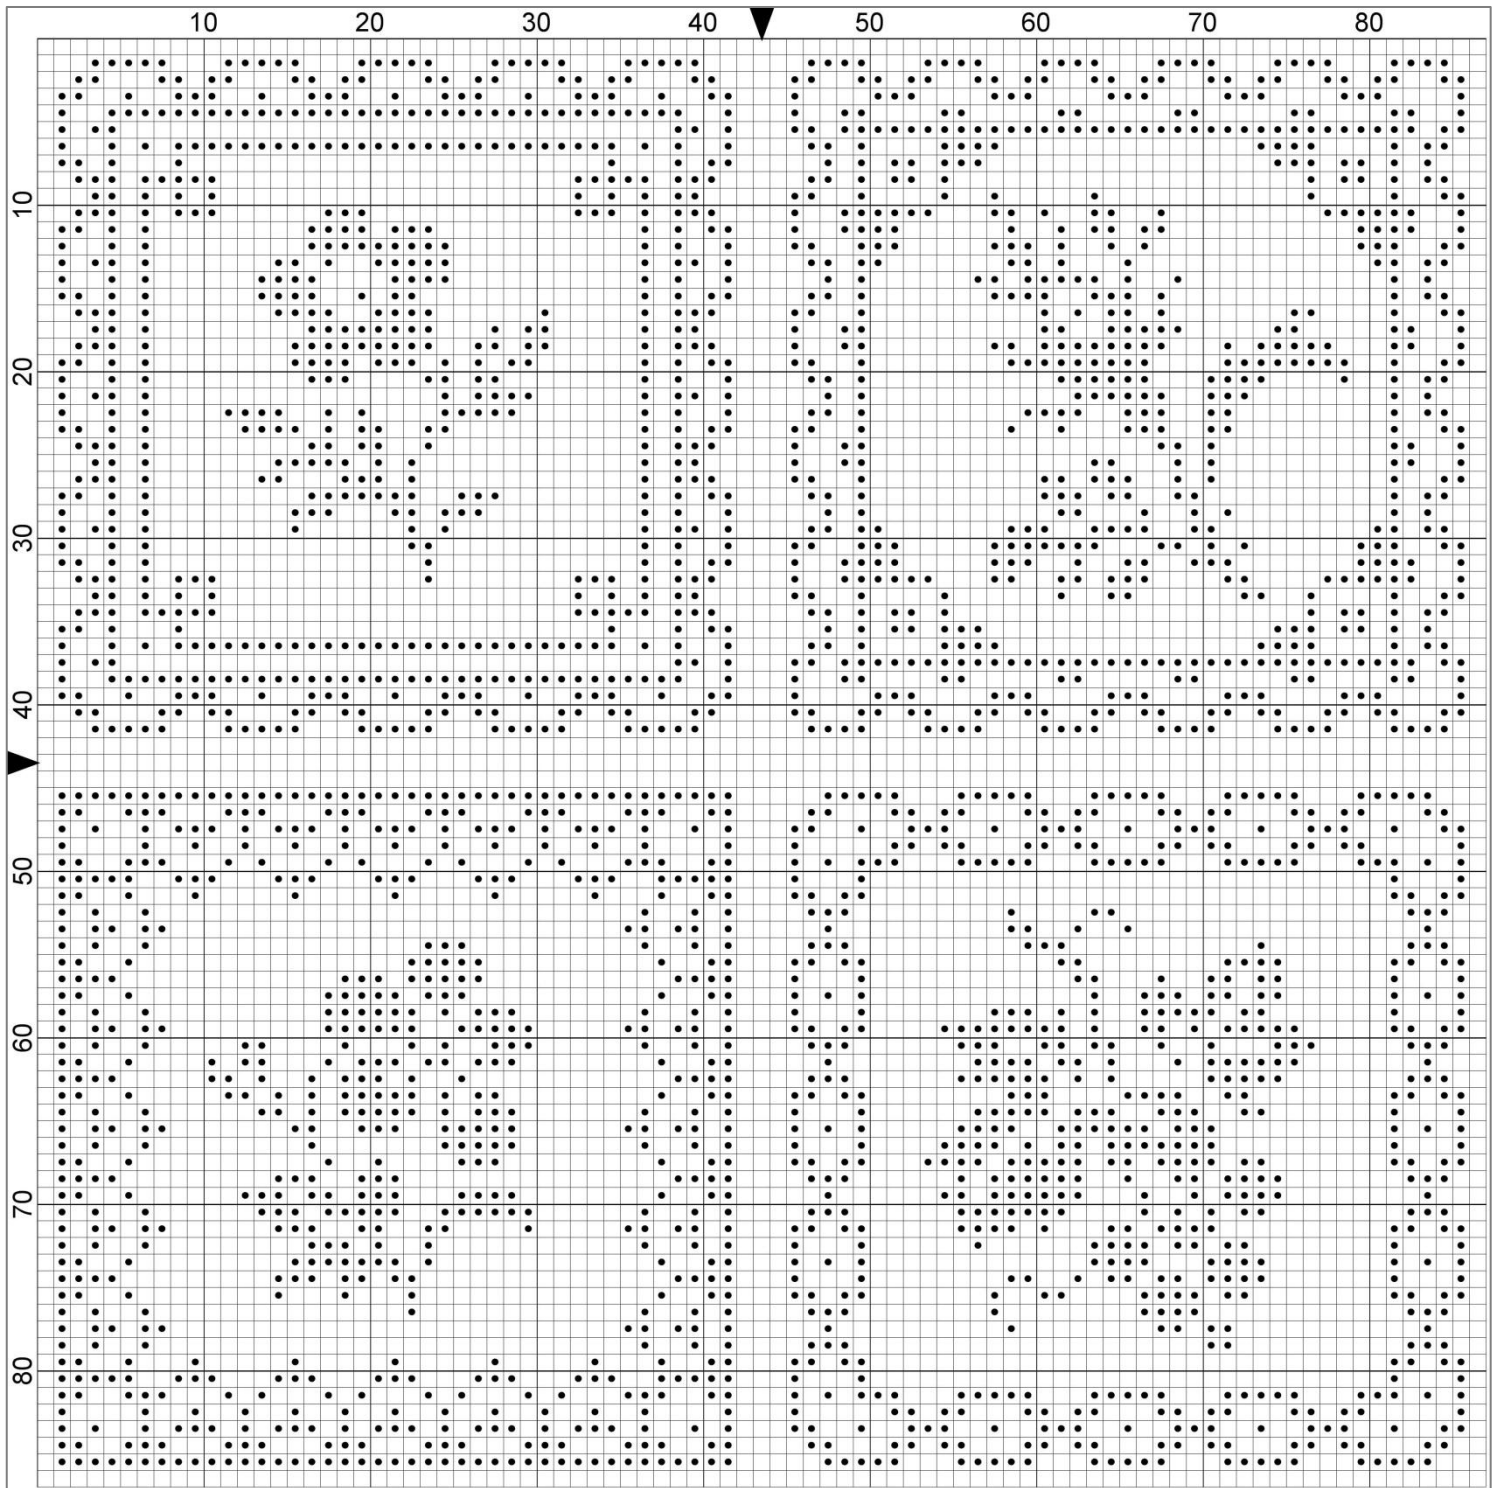

Peterson's magazine – March, 1886

Each little motif is 41 x 41 stitches (about 7.5 x 7.5 cm / 3 x 3 inches on 14 ct)

Perfect for making cards, ornaments, lavender bags, etc....

These monochrome patterns are also fun in beadwork, or filet crochet, try adding colors, or using variegated threads.

Stitched in white on natural linen
