Each camp meeting will provide your child with the opportunity to learn in a safe, clean, fun, air-conditioned, and structured environment. Your child's health and safety are a primary focus, in addition to fun and learning. Sessions can be attended at any time and learning is not sequentially-based. Due to the subject matter and format of the camps, it is recommended that the camper has some previous school experience. Outdoor play, crafts, stories and surprises are a daily part of each session. A completed **Registration Form** and required, **\$ 110 / session for the selected session(s)** will reserve your child's place. Children new to Happy Heart ELC will need to provide a copy of their immunization record along with the following completed **Registration Form**.
