- a. Review of the Comprehensive Land Use Plan

Review of the Comprehensive Plan continues with editing of the Environmental Sustainability and Land Use to Address Climate Change. Glenn Bork questioned the need for the Land Use to Address Climate Change within the Comprehensive Plan as the section may be redundant. Green uses can be combined with the land use strategies earlier in the Plan. The Commission is in agreement with Mr. Bork and it is decided that the section will be removed from the Plan outline.

Land Use Plan review to continue at the September Plan Commission meeting. New additions to the Land Use Plan Outline will resume with Green Construction.

Adjournment

Chairperson Steve Zahn called for a motion to adjourn the meeting – Motion by Dan Turner, second by Cheryl Pollak - all are in favor. The motion passes. Meeting adjourned at 8:27 PM.
