LAUREATE PHI**

This year's Preferential Tea was held on Sun. Nov. 7th at the Centretown United Church hosted by Xi Chi Chapter.

ATTENDANCE: Present ___8___ Absent ___9___ Guests ___0___

From the onset of this event with the lovely invitations, to the Ritual of Legacies and Ritual of Jewels, to the delicious sandwiches and desserts, the high tea was an outstanding success.

The event was a sell-out, and several attendees arrived in their finest hats and charming dresses. Gene did us proud wearing a most becoming black hat with a formidable bow! Lorraine also got into the spirit wearing her lovely hat. We were all so pleased to be able to don our attractive clothes.

The girls of Xi Chi made everyone feel welcome. In particular, were the three young legacy daughters and five Ritual of Jewels recipients.

The legacy daughters chose their favourite hat from those wore by the attendees. The lucky winner won a prize. The girls were able to enjoy being an important part of the high tea event.

The sandwiches were exquisite and there were several requests for recipes. A promise was made to provide those recipes at the next City Council meeting.

Congratulations to Xi Chi for a job very well done!
