

Greeting JH Students and Families,

Below you will find class materials and supplies, class attire and vendor's list provided by your student's teacher(s):

Class Materials and Supplies

Materials recommended by the Artistic Director:

To make the distance learning experience more applicable to the study of dance, you may purchase the recommended dance equipment below (based on enrolled classes - purchase is suggested, not mandatory):

1. Portable ballet barre for students ages 9 and above.
2. Tap board or something comparable (see material recommendation by the Tap Department listed below)
3. Marley flooring for students ages 9 and above. Recommended size should be no larger than 6 feet long and 6 feet wide, considering that your dancer will need to travel horizontally, forward, and backward. Marley floor should be placed on a hard floor surface. Carpeted flooring will not facilitate the process.
4. Portable ballet barres and Marley flooring
