

ANGELA GOODMAN

Candidate for County Collector

Angela Goodman has been employed as a Deputy Clerk in the Tax Collector's office since 2016. Goodman states, "I have learned so much during this exciting time. Now I think it is time to make a move to the position of Tax Collector."

Goodman moved to this area twenty-seven years ago with her two young children, looking for a better place to raise her family. She says, "I most certainly found just such a place right here

in Marion County. This has been such a wonderful area for my family and me to live and work. I am so proud to be a part of such a fine community of people.”

Goodman states she has always felt that she would one day advance her career within the Collector’s Office. When the most recent County Collector made her intentions known a few years ago that she would not be seeking reelection, Goodman began planning to run for office. Because of Angie Goodman’s extensive experience in the workings of the Collector’s Office, she believes she is the best person to fill the position of Tax Collector. Goodman states, “I believe I have a vision for improvements that can be made to better serve all the people of Marion County. I plan for the Tax Collector’s office to be fully transparent in its operations, as well as find solutions to some long-time issues. I look forward to adding online payments to our website to increase anytime access for our community as well.”

Goodman loves meeting the taxpayers and helping them every day. She always appreciates a challenge and enjoys finding ways for the county to not only save money but also maintain a consistent revenue stream.

“I believe I am the right person to serve as Marion County Tax Collector. I have the experience and confidence to face each new day with a clear vision of what needs to get done.”

Experience is my most valuable asset.

Integrity is my moral ground.

Change is what I embrace for our best future.

“I look forward to visiting with you during your next visit to the Collectors office, or perhaps on the street or in the grocery store. I am part of your community every day.”
