PRESIDENT'S REPORT

Hi folks,

Well it's spring time again and hopefully the end of the flu season.

This season almost all of us including myself have had our turn, I hope everyone is well again and we can get our get up and go back,

We had our Monthly meeting last Tuesday and ran over the events of the last few months. We have had good practice sessions during this period and the last playout was a good one despite having dates clash with other events including our friends at Cool Country. So our visitor numbers were down but all who attended had a great time.

We have most of the festival expenses for Easter 2017 all taken care of, with ground

costs, trophies paid for, catering arranged sponsors lined up and everything else on track. The advertising for the 33rd Festival will probably start in earnest around November.

Some of our members went down to the Gympie Muster, the most successful would have to be Phoebe Jay who was equal first in the Junior section of the talent quest and will as a result, sing on the main stage at the Tamworth festival. Congratulations and it just shows the dedication pays off.

We have a Sausage sizzle at Bunnings on Sunday the 27th this will help to put some funds back into the coffers which have taken a bit of a hit due to purchases of new equipment and festival costs etc. We

will be adopting some fund raising ideas raised at the monthly meeting because rising costs are slowly eating away at our capital and we have to meet this by raising funds so if members can contribute with items that can be raffled as food hampers etc it will be appreciated contact Lyn Bacon please.

We have been approached to take part in some upcoming events as a music provider. The entertainment officers will advise when the details have been worked out. Well that's about all for now, keep healthy and keep it country.

Cool Country is a non-profit organization whose main objective is to raise funds to contribute to local charities and organisations, through music. We rely on the support of the community and club members to continue this work, whilst providing an avenue for people with a love of music and singing that may otherwise not have an opportunity to sing and play. We are continually searching for new members to boost our ranks, contributing to the overall mutual enrichment for all associated with the club. *So... if you play an instrument or enjoy singing, come and join us.*
