

The final month of Kinder Prep for some students!! How did time fly so fast??

This year has been full of new adventures, big emotions, and lots of love.

Throughout May, we have been taking care of and learning about many exciting creatures. We discussed the life cycles of insects and how they may be harmful or helpful to our environment. We've even been able to watch our baby caterpillars make their transformation into beautiful butterflies and release them into the world. For the children and teachers it was a bittersweet taste. We were going to miss the butterflies as we witnessed the amazing growth and transformation they went through every day, but we felt also happy to see them all fly. This is just the way we feel about some of the kindergarteners going soon. We have witnessed a lot of growth and transformation since they started attending our program. We are so proud and happy of all their achievements but they will be deeply missed. Good

luck to all of you in your next stage.

In the month of June we will be learning about the ocean: ocean animals, their environment and how we can help to keep our oceans clean and healthy.

**June 16th, Friday-**

Once again, we will be hosting our annual picnic on Friday, June 30th at Prince Charles Water Park.

We are appealing to parents, grandparents and friends of the school to donate items for the Silent Auction hosted in the picnic.

This is a great opportunity to connect with the Juniper Early Learning Center community, families and staff. We hope to see you all there!!

**HAPPY BIRTHDAY**

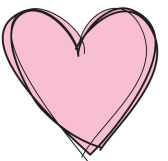

**Isabelle will be 4 on June 16th!**  
**Wesley S. will be 3 on June 23rd!**

**Reminders**

-Please send a sun hat and a change of clothes each day.

Thank you all for such a wonderful year, we appreciate all of your support and kindness.

You are the primary teacher in their lives, but thank you for allowing us to participate in your child's learning.

**Miss Margarita, Miss Heather, and Mr. Eric**
