

## WHAT WE DO

### SANDWICHES IN THE PARK

Our dedicated volunteers provide soup, sandwiches and hot chocolate to people in Boitano Park each Sunday at Noon. The sandwiches and hot chocolate are made in the church basement after Sunday morning Mass by a group of volunteers and various members take turns making homemade soup to be delivered to the park. On average we serve about 50 people, or as we like to call them 'Friends', each Sunday.

**TESTAMONTAL:** *"I really appreciate it big time, and when there's extra it's even better cuz that means I get supper too... Sometimes that's the only meat I get."* **B.**

### FOOD BAGS

Each Monday we provide food bags to those in need. The bags contain very basic food stuffs and are not meant to cover all their needs, but to supplement other sources they may have. We have tables of gently used clothing available for the taking. We try to ensure warm jackets, gloves and scarves are available in the winter. On these days, we also provide coffee, juice and snacks and take this opportunity to visit with our 'Friends' to get to know them better.

**TESTAMONTAL:** *"What you do is a big help... After rent and utilities all I have left is \$90.00 a month."* **S.**
