

Ohio Swiss Festival Bus Trip with the Frank Moravcik Band

Friday October 1 & Saturday October 2, 2021

Let's travel once again as we host you on an overnight excursion to Amish Country! The band will perform for two days at the Ohio Swiss Festival in Sugarcreek, featuring polka bands as well as various foods to sample, crafts, shopping, and all kinds of attractions! We will stay overnight at the brand new, gorgeous **Encore Hotel & Suites** located in Berlin with several walk-to shopping attractions including Ohio's largest Christmas store right on the property and the Amish Country Theater connected right to the hotel. Friday lunch and dinner will be on your own at the festival. Saturday, if interest, the bus can make a stop at the flea market or downtown Berlin and then back to the festival where after our performance, we head for a great Amish buffet dinner and stop at Breitenbach Wine Cellars before coming home.
