Mr. Dwight D. Eisenhower, President,

New York, N. Y.

Dear Sir:

Under the direction of the Spirit of God, I write you this letter. It was under the guidance of the holy prophets of old that God made sure and unfailing the steps of men who were ordained by Him to lead His people.

Your rise to power and influence has not been political nor has it been by the will of men but by the will of God. God raised you up to save His people -- America, made up of every kindred and tongue, living under one flag in peace. Your humble and unselfish spirit declares this to be true. These characters mark your greatness.

The number 'seven' which is God's perfect number (for God works only in cycles of sevens), has climaxed and confirmed your every move which established the fact that you are under Divine guidance. You rose to prominence in a war that this country was ushered into by the dastardly attack of the Japs at Pearl Harbor December 7, 1941.

You began your operation as Supreme Commander of the Allied Forces against the Germans in Africa on November 7, 1942. Tunisia fell on May 7, under the attacks made under your command. The period from November 7 to May 7 is exactly seven months. "V-E" day came in Europe on May 7, 1944. It was officially announced in America on May 8th. "V-J" day came on the 14th of August which is a multiple of seven. President Truman announced the surrender of the Japs August 14th, five minutes after seven. You retired as Chief of Staff on February 7, 1948, and were officially made President of Columbia University of June 7, 1948.

God's hand is in whatever begins with a seven and ends in the sevens. Truly God's hand is upon you. Be wise and follow His guiding hand if you wish to be blessed, and if you wish to be a blessing.

There will be a move on to draft you for the presidency, and God has ordained that you be, but not until Mr. Truman's time expires. Mr. Truman is God's anointed for the position he now holds; for he was not placed there by any political party, but by Divine providence, which was brought about by the death of Mr. Roosevelt.

President Truman has done a wonderful job up to this time in holding together the platform and principles that were set by God through the late Mr. Roosevelt which selfish Democrats and Republicans have attempted to destroy. Mr. Truman has not turned to the left or right to gain their favor. Having been elevated to the presidency of this Nation by God, he must continue for seven years - April 12, 1945 to January 6, 1953 which will cover the seven year period.

You were appointed Chief of Staff by President Truman. All of your honors received through the late President demand your respect (according to divine law) for the man God moved Mr. Roosevelt to choose as his successor in case of his death, which God made him to know; for he told me personally of his fears.

Under divine inspiration, I suggest that you should decline the presidency (if you are drafted at the National Democratic Convention) and accept the position as running mate of Mr. Truman as vice president which will assure the election of him and yourself, for this will be God's ticket and no one will be able to beat it.

It may appear to you that the office of vice president carries no power, but influence is more than power. The setting of yourself back to second place will establish your humility in the sight of man and God, and would give you greater power through the influence you will have over the people than the power you would gain in being elected president in the coming election.

To do this, it will confirm your statement that you would not accept the nomination as president during this election; thus giving the people great admiration for your truthfulness; for you will be the next president following Mr. Truman if you work with God to carry out His divine plan. God is working through American leadership to save the world from the horrible pit that lies ahead, but He must have unselfish leadership to establish the confidence of the people in a man, and you are the man!

You are the only man in the world today who has the opportunity to reject the offer of being made the head of the greatest country on earth to whom the nations of the world look for help. Though you have resigned as Chief of Staff, you are still subject to your country's call through Mr. Truman, its President and Commander in Chief, to take second place with him as the vice president. This will be in accord with divine order.

That you might know what happens to a man who has the mind to humble himself in this manner, I refer you to the word of God, the Bible. It tells you in Phillipians 2nd chapter, reading from the 3rd to the 11th verses inclusive: (quote)

"Let nothing be done through strife or vainglory; but in lowliness of mind let each esteem other better than themselves. Look not every man on his own things, but every man also on the things of others. Let this mind be in you, which was also in Christ Jesus; who being in the form of God, thought it not robbery to be equal with God:

"But made Himself of no reputation, and took upon Him the form of a Servant, and was made in the likeness of men; And being found in fashion as a man, He humbled Himself, and became obedient unto death, even the death of the cross, Wherefore God also hath highly exalted Him, and given Him a Name which is above every name; That at the Name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth;

"And that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father." (end of quote)

Jesus took upon Himself the form of a servant and humbled Himself, and because He did, God highly exalted Him and gave Him a Name above every other name.

Dear General; as I told you when I was with you last at your office; God did not need a Republican or Democrat. Now, He needs, as then, a man. You said to me, you did not know where he could be found. God answered you back through me, and I told you as I looked you in the eyes, that I was looking at the man. I still say you are the man, for God has made me to know this as His servant that I might convey the message to you. Please don't fail God, but rather, follow the leading of His Spirit and you will be a blessing to the world.

I was the late Mr. Roosevelt's prophet. We never failed God. Through us, God broke all precedence to carry out His purpose to lift up the common people and show His love to them.

Enclosed are two of my prophecies that were fulfilled to the letter. The world revolution by the Reds was prophesied because the N R A Blue Eagle, sponsored by the late Mr. Roosevelt, was rejected by big business. This revolution is still going on and will end in chaos unless God can find a man to set up, that the people will have confidence in. You are His choice now, but God never forces anyone to do His will. You will have to surrender your will of your own accord. God only makes man to know His desire. Then it is left to man to obey or disobey.

JESUS

The other prophecy was concerning the packing of the Supreme Court. This was fulfilled by God speedily in cutting off the number and giving the appointees needed.

The only three people that I want to know about this letter is your wife, yourself and President Truman. I am going to personally place a copy of this letter in the President's hand this week. Will you please call him and make an appointment and talk this letter over? You owe this to God and man.

From your humble servant in the
service of God and humanity,

Elder Lightfoot Solomon Michaux
