**A little explanation might be in order. The parade line up will begin on American Legion Place, which is the street immediately west of the Courthouse. Parade entries should be facing north as they line up on American Legion place.**

**The route will be: American Legion Place to Main Street (US40), to Pennsylvania Street to the Depot which is where the tree lighting, Santa's House, and other Christmas décor will be this Year. So please tell everyone about the new location for the Christmas events in downtown Greenfield.**
