

ASPIRE ASSIST 2 WHEELCHAIR

- The Assist 2 – is designed for an individual or facility who requires a robust chair that will meet the rigorous demands of the community and healthcare environments.
- Swing away and removable arm rests – this facilitates user transfers and also makes for easier transport and storage.
- Height adjustable and removable foot rests – this facilitates user transfers, as well as allowing for optimal positioning for the changing needs of the user.
- Heel loops on the foot rests – increases user safety.
- Quick release 24” solid rear tyres - the wheels are easily removed to reduce the weight of the chair for transport and storage.
- An easy to use, rear wheel brake with a large handle for ease of access.
