INT. CHURCH - DAY

A PRIEST and a NUN solemnly nod and shake hands with a MAN who then exits. They do the same with a WOMAN. They do the same with a FAMILY, then another MAN and another WOMAN. When all the stragglers have left they speak.

NUN

I can't believe you improvised an entire mass.

PRIEST

Why was our call time so early?

NUN

I have no idea. I still haven't seen the fucking camera crew.

PRIEST

This is gonna be one twisted porno.

BLACKOUT.
