3101	Fabrique Francaise/Paris 40-piece porcelain service set in an extraordinary presentation box

3102	18 1/4" Milliner's Model with papier-mache shoulder head [very slight crazing lines on shoulders and neck], black molded hair is styled with spiral curls on the side and pulled back into a braided bun, wooden lower arms and lower legs have red painted slippers [small slit in back of lower arm], the connection where the leather body and wooden legs meet has antique fabric around it, appears to have original clothing [4 small holes in fabric at the hemline of the dress]
3103	Rare 10 1/4" wooden swivel neck QUEEN ANNE doll, dark brown glass eyes, nose has some paint worn off, [rectangle of paint missing on lower left side of cheek and behind both ears, crazing on face], fork shaped hands with opposing thumbs, wooden body jointed at hips and knees, antique lined dress later than the doll [torn spot on fabric near front hemline, wearing hosiery and green cloth covered high heeled shoes]
3104	Rare highly desirable 19" IZANNAH WALKER oil painted cloth doll, ca. 1850s-1860s. She has a fantastic early look combined with the double curls in front of her molded ears. It is thought she retains her original paint, [some crazing on her face and shoulders]. The doll is jointed at the shoulders, elbows, hips and knees. Her antique clothing appears to be original [water marks on her dress and slip, leather shoes show some wear]. Buyer's note: The doll has not been fully undressed due to resistance from body.
