The regular season will be from January 3 to March 7.

All teams will play a 21 game schedule during the season in which each team will play three games against teams in their own division and one game against each team in other divisions.

Each team will play games on Monday, Tuesday or Wednesday with 10 or 11 home games and 10 or 11 away games. In all cases each team will play two or three games per week.

March 7th has been set aside for a possible rain out day OR a possible playoff day in case there is a tie(s) for 1st place to determine the league champion.

The double elimination seeded playoff schedule will begin on March 8th. The seed for each team will be determined by the team's final record during the regular season. The winner of each division, as in past years, will be seeded as #1, #2, #3 and #4. Seeding for all ties of seasonal records will be determined in the order listed below.

1. Head-to-head record
2. Best differential between runs scored and runs allowed
3. Coin flip

Once the playoffs begin, a bracket sheet will be posted both online and at each field. The bracket will be updated each day at both venues and online.
