

Notice and Warning to all agents and officers of any de facto government entity/agency

"As Per my lawful Counsel, I retain and reserve all my rights as per the UCC 1-308 and through the supremacy clause of the Constitution, the Universal Declaration of Human Rights, the International Covenant on Civil and Political Rights, as all are known as supreme law. Once these treaties are brought into the light you must obey them or face serious consequences. You are **trespassing**, and depriving me of life, and liberty and my right to be left alone. You are attempting to commit multiple felony crimes under the **fraudulent** doctrine of Parens Patriae or In Loco Parentis. Under both ASFA and SS Title IV you cannot remove a child from a parent without parents permission.

There will be no acceptance by me of any presumptions or assumptions of my status, standing and jurisdiction as above all I hereby retain my "Right of Self Determination". I, do not consent to anything, I will not sign anything, I am challenging Jurisdiction. We have no contractual agreement, and there will be no Tacit agreements of me being a Citizen, Person, Resident, or Subject. As I am not.

I am a American State National with limited diplomatic immunity and I am not subject to the false and fraudulent doctrine of Parens Patriae. The State is not the parent of free men and women. I do not consent. Mere statutes don't apply.

Warning: As per USC Title 18 section 242, you are ACTING under the color of law and are depriving me of my rights. If you came with another, title 18 section 241 says it is a conspiracy to deprive me of my rights and applies, both of these and other felonies you are committing. If you continue, I will be forced by you to file criminal and tort charges against you personally in your private capacity. Under 42 U.S.C. § 1983, I may sue state or local officials for the "deprivation of any rights, privileges, or immunities secured by the Constitution and [federal laws]." Under Bivens v. Six Unknown Named Agents of Federal Bureau of Narcotics, 403 U.S. 388 (1971), I may sue federal officials for the violation of certain constitutional rights. These crimes carry penalties of \$200,000.+ and up to 10 yrs prison for each count.

I will not submit, contract, or consent to any officer, agent, or order from any administrative court or private corporate de facto BAR ACTORS and I will treat them equally as I would any other trespasser. So, unless you have a warrant from a Constitutional article I or article III court that clearly states it's exact purpose, place, and thing, and which is backed up by a sworn Claim, (Not a complaint as anyone can complain about anything with no consequences) an affidavit or sworn testimony given under oath and under the penalty of perjury please leave here immediately. I hereby now plead the fifth.

Sincerely, _____ a Free inhabitant of the state Sui Juris, jus soli, under supreme law
(NOT STATE OF _____ CORPORATION - under statute or policy / Corp. bylaws)
Two distinct and vastly separate jurisdictions, I hereby challenge jurisdiction!
