### ***8 Days - 6 Guided Tours - 2 Countries***

**A message from Viking River Cruises.....** in 2015, we took destination cruising from the rivers to the ocean with the maiden season of the beautiful *Viking Star*. We believe the best way to understand a country is through enrichment. On our cruises, you truly explore your destination—through its food, culture, countryside, and customs. Perhaps you accompany the ship's chef on a trip to a local market; go behind the scenes of a famous theater company; or even view private collections and hidden vaults at world-class museums.

We have a history of providing our guests a way to get below the surface, not just “check off” each port. That's why our ocean cruises are centered around where you go, not just how you get there—with hand-picked itineraries so you can immerse yourself in history, music, art, cuisine—everything about your destination. In addition, we include excursions led by knowledgeable local guides in every port of call. You learn about the lands through which you travel via enriching lectures that bring history to life; through cultural adventures; in-depth pre-trip materials; and on-demand programming—all designed to help you experience the most from your travels.

#### **VIKING VALUE**

Every detail aboard Viking Sky was designed to bring the cultural riches of the world to you in comfort—from private verandas for every stateroom so you can see more on your journey, to the help of our onboard Viking Concierge who can plan your perfect day. Of course, as with our river cruises, your cruise fare includes everything you need, from meals and beverages to shore excursions and Wi-fi. Because unlike other cruise lines, we believe you shouldn't have to open your wallet every time you want a coffee, a glass of wine or a visit ashore. What does all this add up to? Although you can never put a finite price on hospitality, all of your included options have a value of over \$200 per day, per couple versus other cruise lines!

#### **Look What Is Included In Your Cruise Fare:**
