

BOYLE BULL-

ISSUE # 6

ETIN

JUNE 1984

OPENING WORD:

Greetings from Richmond, Ontario. Another summer has begun and so far its been GREAT. Maybe its just the feeling of having my own garden to dig in and my own grass to mow. In any case I'm a little slow in getting this put together this quarter because I've been digging and mowing etc. Also, you may notice that the zine looks a little different this time around. I have a new job. This means I have a new word processor to work on and I haven't yet found all the right buttons to push to make it do what I want.

For this issue I've made a push to finish some of the "family tree" data so again we have an expanded "TREE AND LEAF" section. Most of this information is a reprint of the data found in the tree published a few years ago by Margaret Boyle of Arnprior of which a few of you have a copy. I have two reasons for reprinting in my own format. First, I had to type it up anyways for my own tree. Second, I would like to see it brought up to date and extended to include those families not currently listed. I personally find it much easier to understand correspondence on these people (most of whom I have never met) when the AID is used. For example, there are a lot of uncle Williams and uncle Charleses out there and I have a hard time keeping them straight.

Please look it over carefully and see if there are any GOOFS!

The "BOYLE BULLETIN" is a hobby zine devoted to the publication of genealogical information relating to the BOYLES of Peter Robinson's emmigration to Canada in 1823. Published by Garvin Boyle, P.O. Box 1149, Richmond, Ontario, KOA 2Z0.

Subscriptions: 4 issue block for \$8.00 CDN; 12-20 pages per issue; to be published 4 or more times per year; reproduction of back issues at unit cost plus postage.

 THAT COMPLETES MY INFORMATION ON THE FAMILY OF PARKER BOYLE

 THAT ALSO COMPLETES MY INFORMATION FOR THOMAS SIDE OF THE
 FAMILY. I AM HEAVILY INDEBTED TO MARGARET BOYLE (AID=AAGAB) OF
 ARNPRIOR, ONTARIO FOR ALL OF THIS MATERIAL PLUS A GOOD DEAL OF
 WHAT I HAVE PUBLISHED PREVIOUSLY. THE GAPS ARE OBVIOUS AND
 MANY OF YOU PROBABLY HAVE MUCH OF THE INFORMATION THAT IS
 MISSING. SO I URGE YOU TO SEND IT IN. ALSO, JUST AS AN
 EXERCISE OF YOUR CURIOSITY, CHECK THE PHONEBOOK FOR YOUR AREA
 AND SEE HOW MANY OF THESE PEOPLE YOU CAN FIND. YOU WILL BE
 SURPRISED TO DISCOVER HOW MANY "BOYLE" RELATIVES LIVE CLOSE TO
 YOU WHEREVER YOU MAY LIVE. IT SEEMS THEY'VE SPREAD THEMSELVES
 PRETTY EVENLY OVER ONTARIO AND THE WESTERN PROVINCES WITH NOT A
 FEW MOVING INTO THE NORTHERN STATES. LET ME KNOW WHAT YOU COME
 UP WITH.

LETTERS:

FROM CHERYL BOYLE OF KYLE, SASKATCHEWAN.

Happy to receive your Query about Boyles. I suspect
 there is no direct link between us. However, if you have 800
 Boyles, some of ours no doubt come in somewhere.

Francis X. Boyle (please see the attached excerpt) is
 as far back as I have gotten. He is buried in Dornoch,
 Ontario, Latona Cemetery.

I hope you can make some sense of this and if you do
 find any of my Boyles, please let me know.

(Editor's note -- Here is some pertinent information from the
 data sent with the above letter. If you run accross any of
 these Boyles in your research drop her a line. Address is Box
 323, Kyle, Sask., S0L 1T0)

From Mrs. M. L. Herriott of Toronto (AID-BFAD)

It has taken me three months to gather a bit of information. I'm enclosing copies of articles from the Melville Advance about my father which you may like to add to your files.

Also, here are some corrections and additions. The places and dates of my stepmother and nephew's wife I haven't received yet but I don't want to miss the March issue so maybe later.

Wishing you continued success with the Boyle Bulletin.

From Laurie Stewart of Lethbridge, Alberta

I am interested in the Boyle Bulletin. My great-great-grandmother's name was Catherine Boyle. She was born in Ireland and married John Finley (born in Scotland). They were living in Templeton, Quebec (now East Templeton) about 1867 when Sarah (my great-grandmother) was born. She was the eldest daughter.

(Editor's note -- I don't think there is a connection between our family and hers but if anyone has information that may be of help to her, her address is 216, 5 Berkeley Place, Lethbridge, Alberta, T1K 5M9.)

From Joan E. Pealow of Orillia (AID=BABAE)

In regard to photos - I don't have too much. I have a picture, in fact more than one, of Mary Jane (Jennie) Martin, daughter of Jeanetta Boyle, and her husband David-Charles Lusignan and also his father. I have a negative for the one of Jennie alone, but I would need to get a negative made of the picture of them just after their marriage, but could do this quite easily.

(Editor's note -- Mrs. Pealow has had a few articles published in the Ottawa Branch News of the O.G.S. and quite a bit of that material would be of interest to the Boyles. Perhaps we can excerpt some of it in one of our coming issues.)

From Orville and Barbara Boyle of Orono Ontario (AID=BAICA)

We just received your latest issue of the "BULL" and we enjoyed it "as usual". Even our little 12 year old girl reads each issue as they arrive. She was quite thrilled last summer when we went to the cemetery at Lake Dore to see the gravesite of our great grandfather, "Old Henry", as I remember somebody calling him. She even made this into a school project, using a colour photograph that I took, of the grave stone.

I never realized myself, that the grave of the chap who started this whole long line of Boyles was so close.

Many thanks for the enjoyable reading & information we receive from the "Boyle BULL".

Take it easy on the cookies and beer. Keep up the good work. We all appreciate it.

From Clifford Boyle of Port Coquitlam (AID=AAJD)

Thanks for your latest issue of the "BOYLE BULL". Its too bad that we did not get together when I lived in Toronto. I spent twenty-two years with Ontario Hydro in Toronto but frequently got to Ottawa on Hydro business and I still have friends in Ottawa.

For your "BOYLE BULL" a couple of items that probably may be of interest. One is that when the family lived in the Pakenham area and times were quite often hard the men of the family would spend most of the winter up the Ottawa River Valley in lumber and forestry work. I gather that this winter work helped considerably in the families welfare.

Also the Western Boyles from the "Thomas Boyle Family" were all, I should say, pretty well nuts about horses. In fact my uncle Harry from Grandora Sask. (close to Saskatoon) became quite well known as a breeder of champion Clydesdales. At one time he imported from Scotland, at a cost of over \$3000.00 a well-pedigreed Clydesdale stallion. He had it for three weeks when it up and died.

I have been out of touch with the Harry Boyle and Parker Boyle families for quite some time but most of them like our family are pretty well all recorded in Margaret Boyle's family tree books.

Thanks for your bulletin and I will certainly enjoy hearing everything you can gather.

LAST WORD:

Well, I've banged this one out in record time. I started yesterday morning at 10.00 A.M. and its now 4.45 on "Father's Day". If I don't quit and go home I'll probably be in big trouble with a very short (tempered) child. I have a few more letters that I really should include but they'll have to wait.

Nakemiini!

Clifford Boyle
