## Catering

As in-house caterers and wedding co-ordinators, our approach to wedding service and food reflects the relaxed and informal 'feel' of Killearn Village Hall. We like to think 'outside the box' when it comes to wedding food; we believe that food should play a starring role in every wedding, and that the wedding meal should be a fun, colourful and visually exciting affair!

## Wedding Co-ordination

Three Sisters Bake will oversee the smooth running of your day from start to finish, covering all elements including ceremony preparations, décor assistance, bar set up and service as well as the provision of our trained team of wedding staff who will be on hand throughout the day. Our style of service is informal and unobtrusive. We also set up the hall, oversee turnover from ceremony to dinner, then deconstruct and tidy up at the end of the night, meaning you don't have to worry about any of these details on the day!

Killearn Village Hall is a flexible and functional venue space, allowing guests to move throughout various parts of the building during the course of your wedding day. The original stone building has undergone a multi million pound renovation, incorporating a stunning, architect designed glass extension. The venue now houses multiple function spaces; the 'Garden Room' reception lounge which opens on to the grassy Glebe; the café bar and balcony which hosts your evening bar, and the main hall itself, where your ceremony, dinner and dancing will take place!
