Discuss the common elements of colonization movements in south Asia, the Middle East, and Africa.	

Discuss the proposition that both the causes and the outcome of World War II were the result of problems created in the Treaty of Versailles.
1. Was World War II inevitable? Why or why not?
2. Compare the strategies and tactics of World War I to World War II.
3. Compare the Germans' policy toward Jews and the Japanese policy toward the Chinese.
4. Trace the early successes of the Germans and Japanese.
5. Why were the Germans and Japanese unable to sustain their level of victories?
What role did the U.S.S.R. play in allied victory?
6. Describe how the war conferences contributed to the Cold War.
7. Can you think of any ways that would have kept India from dividing after independence?
8. How did the United Nations' plans for the Middle East differ from what occurred?

MAP EXERCISE: Create a map showing the locations, events and major concepts discussed in this chapter. Use additional sheets of paper if needed to complete this task.
