

Monthly Newsletter – January 2018

Photo: One Triumph is never enough..... Chris Jones

Welcome to 2018 – this is going to be a great year for the Club as we celebrate our 30th Anniversary! The main celebrations will take place in the month of the Club's inception, i.e. April – take a look in the events section of the Newsletter for further information.

Ahead of the main celebrations in April the Club has worked with the organisers of the 'Galaxy of Cars' to enable us to hold our annual 'Show n Shine' event at their event in mid-March. The Club will have an expanded display area at the side of the Western Springs Stadium and we need 50+ Triumphs to fill the space on the day. As always Stag Club and TR Register are invited to join us, but we need a BIG turn-out from ATCC to make this work and secure maximum exposure for our Club. More details in the events section.

No new members to announce this month, but there do seem to be some new cars. Chris and Michelle have added a very original looking Herald to their existing Spitfire – see photo above. In addition, Eric has added a Spitfire project to his Vitesse – see photo below. There's a bit of work to get the Spitfire back on the road, but Eric is really looking forward to working through what needs doing.

Triumph Renown Parts for Sale

Frank from our sister Club TR Register recently bought a TR2 project in many, many pieces – he is well known for not flinching at the site of a Triumph in boxes! When Frank went through what he'd actually purchased he found that some of the front suspension was actually from a Renown – the LH side to be precise – and the previous owner had thrown at the correct TR2 parts..... Frank is based in Auckland.

If anyone is interested in the Renown suspension parts they can contact Frank as follows:

Triumphs on TradeMe

There seems to be plenty of Triumphs on TradeMe at the moment – twenty-one at the last count. There is the usual crop of saloons looking for a new home, sports cars of different variants and even an interesting looking racing Dolomite.

However, this 1946 Triumph 1800 Roadster looks like a real challenge for any keen restorers out there, but that hasn't stopped over three hundred and fifty people adding it to their 'watch list':

Forthcoming ATCC Events

Stag 'Fish n Chip' Run to Kaiuaa - Sunday 28th January - Meet at Ardmore Aerodrome Café at 3.00pm, convoy leaves at 3.30pm

It is time for the Stag Club 'Fish & Chip Run' to Kaiuaa – the traditional 'curtain raiser' to the New Year of Triumph events. As in past years all ATCC and TR Register members are invited to attend. Make the most of the great weather forecast for the Auckland Anniversary weekend and join us for a run down to Kaiuaa for great food and the chance to catch up with other like minded car enthusiasts from the Stag, ATCC and TR Register Clubs.

The fish and chip shop is up and running after the big storm, Sue from Stag Club has done a drive by to ensure all is well and the area we normally park in is relatively unscathed and most importantly dry! It will be great to get lots of Triumphs along to show our support for this storm ravaged community who have become so much a part of the Triumph events calendar over the years. Don't forget to bring chairs, drinks, nibbles etc.

- We will be meeting at the Ardmore Aerodrome Café, 500 Harvard Lane, Ardmore Aerodrome from 3.00pm on Sunday 28th January:
 - <http://www.ardmoreairport.co.nz/30/cafe>
- The convoy will leave Ardmore for the coast at 3.00pm

If you're not in the Auckland area then why not meet us on the waterfront at Kaiuaa - we're aiming to arrive at approximately 4.30pm and normally park up just opposite the g.a.s. Petrol Station, 925 East Coast Road, Kaiuaa. All welcome even if you are not in your favorite vehicle. to arrive at approximately 4.30pm and normally park up just opposite the g.a.s. Auckland Classic Brit & Euro Car Show - 9.00am onwards, Sunday 4th March 2018 - Lloyd Elsmore Park, Pakuranga

This event was a huge hit last year and for 2018 already has over 500 cars registered to be shown on the day.

Classic cars of British and European origin are very welcome, with many clubs having already confirmed their support (e.g. Jaguar, Ferrari, MG, Mercedes Benz, BMW, Rover, ATCC and Stag Club).

The event will be free to the public, with donations sought for a worthy charitable cause. Cars to be on site by 9.00am and only leaving after the close of the event to the public at 3.00pm. The event opens to the public at 10.00am.

The 'Brit & Euro' car show is being organised by car club enthusiasts and it is planned to have the costs covered by commercial and city council sponsorship.

British and European car clubs are cordially invited to plan to attend. Some car clubs may choose to hold their own annual concours at the event. However there will be no competition between car clubs and no financial gain for any car club. It is the aim of organisers that the event is open to a very wide range of interesting cars.

The official website is now up and running and can be viewed at:

Forthcoming Regular Classic Car Events in Auckland

These aren't specifically ATCC events, but there's a couple of excellent Classic Car meet-ups that happen in the Auckland area on a regular basis – members who have been along say they are well worth the effort of getting out of bed on a Sunday for!

Petrol Heads 'Breakfast at Bellagios' - First Sunday of every month, 86 Plunket Avenue, Wiri, Auckland from 7.30am

This classic car event has been championed for a long time now by 'Petrol Head Magazine' and regularly sees 150+ cars of all types coming together. The metal has a high percentage of American muscle, but anything classic is welcome. Bellagios Café opens to provide coffees and breakfast from 7.30am to 9.30am.

Check out the official event website for further details:

<http://petrolhead.co.nz/?portfolio=breakfast-a-car-show>

Members often communicate via the ATCC Facebook page prior to the event to see who is going along so that they can plan to meet up ahead of the event and then all park up together.

'Caffeine & Classics' - Last Sunday of every month, Smales Farm, Takapuna, North Shore, Auckland from 10.00am

Many of our members have been heading along to this regular event in Takapuna that takes place on the last Sunday of every month. If the weather is good then upwards of 500+ classic cars of all types normally turn up, so always something interesting to look at. There is always a coffee van on site and there is also a café a short stroll away for anyone who wants something a bit more substantial.....

Check out the official event website for further details:
