

Num. 17:8 AARON'S STAFF BUDDING

A shepherds staff, represented by the letter "lamed", is cut down dead wood. When Yah told all 250 of the leaders to lay down their staff and He would make one staff come alive, it was Aaron's. Aaron's staff budded and fruit came forth.

Num. 17:8 *Now it came about on the next day that Moses went into the tent of the testimony; and behold, **the rod of Aaron for the house of Levi had sprouted and put forth buds and produced blossoms, and it bore ripe almonds.***

This was symbolic of when we become born again and are anointed. Aaron's staff was dead, but it came forth, budded, and bore fruit. This is symbolic of so many people who have come alive and been given serious authority but remain with dead works, no fruit of the vine. When we are born again we have "budded". The problem is, many people stop submitting to Yah after they bud and never bare fruit. When a tree doesn't bare fruit, Adonai cuts you down, prunes you, until you produce His works (fruit). Only when you bare fruit do you have His power and authority and are truly born again.
